Re: Legal Representation for Rivers Edge III Community Development District

Dear Supervisors:

On behalf of Hopping Green & Sams PA, we are pleased to submit this letter regarding our interest in serving as counsel to the Board of Supervisors of the Rivers Edge III Community Development District (the "District"). Hopping Green & Sams has extensive experience representing community development districts and other special taxing districts throughout the state of Florida.

We have been providing clients with advice regarding the operation of community development districts since 1985. Lawyers from our firm presently serve as general counsel to approximately two hundred and twenty-two (222) community development districts and other special taxing districts throughout Florida and have established a number of others. This is one of the firm's areas of specialty and we presently have more than sixteen (16) attorneys who personally spend one hundred percent (100%) of their legal practice in this area.

Hopping Green & Sams regularly provides advice to districts in contractual matters, bidding, budgeting, and the many other issues with which district boards are confronted on a daily basis. In the central and southern Florida areas, we currently represent several districts in and around Clay, Duval, Nassau, St. Johns and Volusia Counties, among many others. It is extremely important that counsel to the District be familiar with the significant responsibilities and obligations of the members of the Board of Supervisors. It is also critical that counsel function effectively as a part of the District's "staff" or management team to ensure that the operations of the District are effectively and smoothly administered. In that regard, we have worked with a variety of engineers, consultants, and other attorneys and fully understand the importance of functioning as a team.

For services as counsel to the District, we propose to charge an hourly rate for the attorney performing the work plus direct out-of-pocket expenses for travel costs, telephone conference, postage, and copying charges, etc. Our rates vary depending generally on the experience of that attorney. For example, my proposed hourly rate is \$310.00. The associates most likely to assist in this work are billed at \$270.00 per hour depending upon experience. Other work by attorneys and/or paralegals in the firm would also be performed at their established rates. Our rates are

reviewed annually and may be adjusted from time to time in conjunction with such reviews, after providing notice to you. Let me assure you that we will make every effort to keep legal costs as low as possible while providing services consistent with our professional responsibilities. Itemized bills showing all time spent for services are rendered monthly and are due upon receipt. We have attached a copy of the firm's policy with respect to expenses, although to the extent that Chapter 112, F.S., conflicts with these policies, Chapter 112, F.S., will govern.

With respect to conflicts, it is important to disclose that our firm represents a number of other special districts throughout Florida, as well as a number of trustees, including U.S. Bank, National Association and Wells Fargo Bank, National Association and various developers, including Mattamy Jacksonville, developer of lands within the District. Aside from the disclosures we have already made, we are unaware of any ethical conflicts in our representation of the Rivers Edge III Community Development District. Please note that acceptance of the Fee Agreement will constitute your waiver of any "conflict."

If we can provide you with any additional information, please feel free to contact us. Thank you for this opportunity, and we look forward to working with you.

Sincerely,

Jennifer Kilinski
For the Firm

and

- B. Hopping Green & Sams, P.A. ("HGS")
119 South Monroe Street, Suite 300
P.O. Box 6526
Tallahassee, Florida 32314

II. SCOPE OF SERVICES

In consideration of the mutual undertakings and agreements contained herein, the parties agree as follows:

- A. The Client agrees to employ and retain HGS as its attorney and legal representative for counseling and representation for the purpose of providing advice and general counsel services regarding Rivers Edge III Community Development District.
- B. HGS accepts such employment and agrees to serve as attorney for and provide legal representation to the Client in connection with those matters referenced above.

III. CLIENT FILES

The files and work product materials ("client file") of the Client generated or received by HGS will be maintained confidentially and in accordance with the Florida Bar rules. At the conclusion of the representation, the client file will be stored by HGS for a minimum of five (5) years. After the five (5) years storage period, the Client hereby acknowledges and consents that HGS may confidentially destroy or shred the client file, unless HGS is provided a written request from the Client requesting return of the client file, to which HGS will return the client file at Client's expense.

IV. FEES

- A. The Client agrees to compensate HGS for services rendered in connection with any matters covered by this Agreement according to the standard hourly billing rates for

individual HGS lawyers plus actual expenses incurred by HGS in accordance with the attached standard Expense Reimbursement Policy (Attachment A, incorporated herein by reference). Certain work related to issuance of bonds may be performed under a flat fee to be separately approved.

- B. To the extent practicable and consistent with the requirements of sound legal representation, HGS will attempt to reduce Client's bills by assigning each task to the person best able to perform it at the lowest rate so long as he or she has the requisite knowledge and experience. The standard hourly rate of Jennifer L. Kilinski is \$310.00 and the associates and paralegals that are most likely to assist in this work are billed at \$270.00 and \$160.00, respectively. HGS' standard hourly billing rates are reevaluated annually prior to the beginning of the calendar year and are subject to change each year at that time. Client agrees to HGS' annual rate increases to the extent hourly rates are not increased beyond \$15/hour for attorneys working on this matter.
- C. HGS will include costs and expenses (including interest charges on past due statements) on its billing statements for Client reimbursement in accordance with the attached standard Expense Reimbursement Policy.

V. BILLING AND PAYMENT

The Client agrees to pay HGS monthly billings for fees and expenses incurred within thirty (30) days following receipt of a statement from HGS. HGS shall not be obligated to perform further legal services under this Fee Agreement if any such billing statement remains unpaid longer than thirty (30) days after submittal to and receipt by Client. Non-payment of billing statements shall be a basis for HGS to immediately withdraw from the representation without regard to remaining actions necessitating attention by HGS as part of the representation.

VI. DEFAULT

In any legal proceeding to collect outstanding balances due under this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees in addition to costs and outstanding balances due under this Agreement. Venue of any such action shall be exclusive in the state courts of the Second Judicial Circuit in and for Leon County, Florida.

VII. CONFLICTS

It is important to disclose that HGS represents a number of special districts, trustees (including U.S. Bank National Association ("U.S. Bank") and Wells Fargo National Association), bondholders, and other entities throughout Florida relating to community development districts and other special districts. HGS

understands that Client may enter into an agreement with U.S. Bank or other trustee in connection with the issuance of bonds, and that Client may request that HGS simultaneously represent Client in connection with the issuance of bonds, while HGS is also representing U.S. Bank or other trustee on unrelated matters. By accepting this Agreement Client agrees that (1) Client was provided with an explanation of the implications of the common representation(s) and the advantages and risks involved; (2) HGS will be able to provide competent and diligent representation of Client, regardless of HGS' other representations, and (3) there is not a substantial risk that HGS' representation of Client would be materially limited by HGS' responsibilities to another client, a former client or a third person or by a personal interest. Acceptance of this fee proposal will constitute your waiver of any "conflict" with HGS' representation of various special districts, trustees, bondholders, and other entities relating to community development districts and other special districts in Florida.

VIII. TERMINATION

Either party may terminate this Fee Agreement upon providing prior written notice to the other party at its regular place of business. All fees due and payable in accordance with this Agreement shall accrue and become payable pursuant to the terms of this Agreement through the date of termination.

- a) An initial Public Comment Period shall be provided at the start of each Board meeting before consideration of any propositions by the Board. In the event there are propositions that come before the Board that are not listed on the agenda, the Presiding Officer shall announce a Public Comment Period on such proposition prior to the Board voting on the matter.

MEMORANDUM

To: Board of Supervisors
Rivers Edge III Community Development District

From: Jennifer Kilinski

Date: April 15, 2020

Re: Prompt Payment Policies and Procedures

The purpose of this memorandum is to outline the Rivers Edge III Community Development District's ("**District**") responsibilities under the Local Government Prompt Payment Act (Chapter 218, Part VII, Florida Statutes) ("**Act**"). The Act requires districts to establish procedures for marking payment requests or invoices as "received" and to establish dispute resolution procedures in the event a dispute occurs between a district and a contractor.

The accompanying proposed resolution and policy ("**Prompt Payment Policies and Procedures**") sets forth specific policies and procedures to ensure timely payment to vendors or contractors providing goods or services to the District and to provide guidance in contracting matters. The Prompt Payment Policies and Procedures will provide more protection for the District by establishing a process to deny and resolve instances of improper invoices such as an invoice for goods or services that fails to meet the contract requirements. As required by the Act, the Prompt Payment Policies and Procedures delineate the procedure for accepting and calculating the date of payment for construction services and non-construction goods and services.

If you have questions regarding the Prompt Payment Act, or the attached proposed Resolution and Prompt Payment Policies and Procedures, please do not hesitate to contact me.

statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider.

4. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).
5. A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.
6. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider. If the costs of the third party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

VIII. Purchases Involving Federal Funds or Bond Funds

When the District intends to pay for a purchase with federal funds or bond funds, the District shall make such purchases only upon reasonable assurances that federal funds or bond funds sufficient to cover the cost will be received. When payment is contingent upon the receipt of bond funds, federal funds or federal approval, the public procurement documents and any agreement with a Provider shall clearly state such contingency. (§ 218.77, Fla. Stat.).

IX. Requirements for Construction Services Contracts – Project Completion; Retainage

The District intends to follow the PPA requirements for construction project completion and retainage, including, but not limited to, § 218.735 (7) and (8), Fla. Stat.

X. Late Payment Interest Charges

Failure on the part of the District to make timely payments may result in District responsibility for late payment interest charges. No agreement between the District and a Provider may prohibit the collection of late payment interest charges allowable under the PPA as mandatory interest. (§218.75, Fla. Stat.).

A. Related to Non-Construction Goods and Services

All payments due from the District, and not made within the time specified within this policy, will bear interest, from thirty (30) days after the due date, at the rate of one percent (1%) per month on the unpaid balance. The Vendor must submit a Proper Invoice to the District for any interest accrued in order to receive the interest payment. (§ 218.74 (4), Fla. Stat.).

An overdue period of less than one (1) month is considered as one (1) month in computing interest. Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

B. Related to Construction Services

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month, or the rate specified by agreement, whichever is greater. Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

C. Report of Interest

If the total amount of interest paid during the preceding fiscal year exceeds \$250, the District Manager is required to submit a report to the Board during December of each year, stating the number of interest payments made and the total amount of such payments. (§ 218.78, Fla. Stat.).

The District Manager or his/her designee shall notify the Board and District Counsel as soon as is practical after any individual issues an Emergency Declaration Order or takes any Emergency Action under Section 5.0 herein, and at the next meeting of the District's Board, shall present a report of all Emergency Actions taken, including the Emergency that necessitated the action, a description of the action taken, and a certification that such action was necessary to ensure the health, safety, and welfare of the District's residents, guests, paid annual users, or the general public; to ensure the continuity of operations of the District; to prevent significant damage to District property; or to otherwise protect the interests of the District.

4.3 Notification of Residents

In the event that the District's Facilities are closed or access is restricted due to an Emergency, or an Emergency poses an immediate risk to the health, safety, or welfare of the District's residents or paid annual users, the District Manager or the General Manager shall arrange for an appropriate notification to the District's residents and paid annual users, which notice may be accomplished by electronic message, posting of signs at the affected Facilities, or such other methods as are deemed appropriate under the circumstances.

5.0 EMERGENCY ACTIONS

The following actions may be taken after declaration of an Emergency as set forth in Section 3.2 herein. Any resolution declaring an Emergency or Emergency Declaration Order may provide for additional Emergency Actions as necessary.

5.1 Meetings

5.1.1 Cancellation of Meetings

In the event that the District Manager, after considering all the relevant circumstances and consulting with District Counsel, when possible, deems it infeasible to hold a regularly scheduled, special, or emergency Board meeting because doing so would endanger the health, safety, and welfare of the Board, residents of the District, or the general public, the District Manager shall have the authority to cancel such meeting, regardless of direction to the contrary from any individual Board member.

5.1.2 Emergency Meetings

In addition to the Chair's and Vice-Chair's authority to call an emergency meeting in accordance with the District's Rules of Procedure to address matters which may affect the public health, safety, or welfare, the District Manager shall additionally have the authority to, in its discretion, call such an emergency meeting in order to address any Emergency or matters arising from same.

5.2 District Facilities and Events

5.2.1 General Manager's Authority

In the event of an Emergency which impacts the health, safety, and welfare of District residents, paid annual users, and guests using District Facilities, or which affects the structural integrity of any District Facility, the General Manager has the authority to close or restrict access to the District's Facilities and/or cancel or postpone any scheduled recreational event for a period of up to 24 hours. This provision is not intended to limit any available authority for suspension of amenities privileges for individual users under the District's Amenities Rules.

5.2.2 District Manager's Authority

In the event of an Emergency which impacts the health, safety, and welfare of District residents, paid annual users, and guests using District Facilities, or which affects the structural integrity of any District Facility, and necessitates closure of or restriction of access to the District's Facilities for more than 24 hours, the District Manager shall have the authority to close or restrict access to the District's Facilities for as long as is reasonably necessary due to the Emergency, including cancellation of any scheduled recreational events. This provision is not intended to limit any available authority for suspension of amenities privileges for individual users under the District's Amenities Rules.

5.2.3 Enforcement

Should any individual access the District's Facilities in violation of a closure or other restriction of use enacted in response to an Emergency, such action shall be treated as a violation of the District's Amenities Rules and shall be subject to the disciplinary procedures and penalties set forth therein. Nothing herein contained shall prevent the District from taking such other lawful action in law and equity as may be necessary to remedy any violation or refusal to comply with this section, including but not limited to: (1) Injunctive and/or declaratory relief in a court of competent jurisdiction; (2) Any action to recover any and all damages that may result from a violation of this article; or (3) Any other action or enforcement method allowable by law, including reporting the incident to local law enforcement authorities.

5.3 Emergency Expenditures, Procurement, or Contracts

Expenditures, procurement, and contracts necessary due to an Emergency are subject to the emergency provisions of the District's *Policy Relating to Spending Authority and Procurement of Good and Services* ("Procurement Policy"). A resolution declaring an Emergency or an Emergency Declaration Order issued under Section 3.2 of this Policy shall function as an Emergency Authorization authorizing staff to make an Emergency Approval of an Emergency Contract or Purchase Order, as those terms are defined in the Procurement Policy.

5.4 Emergency Rules

Emergency Rules may be adopted in accordance with the District's Rules of Procedure.

5.5 Suspension of District Procedural Rules

The Chair (or Vice-Chair, if the Chair is unavailable) shall have the authority to suspend any District procedural rule or policy if doing so is necessary to facilitate actions to preserve the health, safety, and welfare of the community. This section does not authorize any action inconsistent with governing federal, state, or local laws or ordinances.

5.6 Compliance and Coordination with Officials

In the event that public health officials, law enforcement officials, or other officials associated with the local, state, or federal government require action from the District in connection with an Emergency or Significant Event, the District Manager shall have the authority to take such actions as are reasonably necessary to comply with such directives or requirements and/or to coordinate with such officials to protect the interests of the District and its residents, guests, and annual paid users.

6.0 SEVERABILITY

- 6.1** If any section, paragraph, clause, or provision of this Policy shall be held to be invalid or ineffective for any reason, the remainder of this Policy shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Policy would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause, or provision.

7.0 INTERPRETATION

- 7.1** This Policy shall be interpreted and construed as consistent with Florida law and the District's Rules of Procedures. This Policy shall not be interpreted or construed as restricting, undermining, or contravening the legal authority of the Board or the District.

RESOLUTION 2020-11

A RESOLUTION SETTING FORTH THE POLICY OF THE RIVERS EDGE III COMMUNITY DEVELOPMENT DISTRICT BOARD OF SUPERVISORS WITH REGARD TO THE SUPPORT AND LEGAL DEFENSE OF THE BOARD OF SUPERVISORS AND DISTRICT OFFICERS AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors (“**Board**”) and the officers and staff of the Rivers Edge III Community Development District (“**District**”) are constantly presented with the necessity for making decisions regarding various phases of District policy and management; and

WHEREAS, it is absolutely essential to the effective operation of the District that such decisions be made in an environment where the threat of personal liability for the Board and its officers and staff is maintained at a minimum; and

WHEREAS, the Board wishes to formalize a policy with regard to the support and legal protection of the Board and its officers and staff so as to reduce the threat of personal liability to such individuals and allow for an effective decision-making environment.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE RIVERS EDGE III COMMUNITY DEVELOPMENT DISTRICT THAT:

1. As set forth in this Resolution, the District, in accordance with Florida law, agrees that the following Board members, officers, employees and staff of the District shall be provided the benefit of the indemnification, support and legal defense provisions provided in this Resolution:
 - a. All members of the Board of Supervisors; and
 - b. District officers, District Manager, District Counsel and District Engineer (“**Staff**”).
 - c. Other independent contractors, agents or persons shall not be so indemnified with respect to service to the District except to the extent permitted by law and authorized by a majority vote of the members of the District's Board of Supervisors participating and voting. Independent contractors so extended coverage by majority vote as detailed above shall be treated as “**Staff**” under this Resolution.
2. As set forth in this Resolution and in accordance with Sections 111.07 and 768.28, Florida Statutes, the District hereby agrees to provide legal representation to defend any and all civil actions, including federal civil rights and other federal civil claims, arising from a complaint for damages or injuries suffered as a result of any action or omission of action of all District Board members, officers, staff or employees, present or former, arising out of and in the scope of his or her employment or function, unless, in the case of a tort action, the Board member or Staff member acted in bad faith, with

malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. Defense of such civil actions includes, but is not limited to, any civil rights lawsuit seeking relief personally against any Board member or Staff member for an act or omission under color of state law, custom or usage, wherein it is alleged that such Board member or Staff member has deprived another person of rights secured under the Federal Constitution or laws, including, by way of example, actions under 42 U.S.C. § 1983 or other federal statute. The District hereby further agrees to provide legal representation to defend against any other litigation arising against a Board member or Staff member from the performance of their official duties while serving a public purpose, including civil, administrative or criminal actions as permitted by law. By these provisions, the District does not waive any immunity from liability or limited waiver of such immunity as granted under Florida law. Rather, the District is stating that to the extent the State does not through its laws protect the Board and its Staff from liability, the District is committed to doing so to the extent described in this Resolution and as permitted by law.

3. The District may insure itself in order to cover all reasonable costs and fees directly arising out of or in connection with any legal claim or suit that directly results from a decision or act made by a Board member or Staff member while performing the duties and functions of his or her position.
4. This Resolution is intended to evidence the District's support of Board members and Staff members who perform acts and render decisions in the good faith performance of their duties and functions. The District will neither support nor defend those actions or omissions committed by an individual outside the scope of his or her office or committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. By adoption of this Resolution, the District Board member(s) and/or Staff member(s) in question are each presumed to have acted within the scope of his or her office and are presumed to be acting in good faith, without a malicious purpose and not in a manner exhibiting wanton and willful disregard of human rights, safety or property.
5. In the event that the District has expended funds to provide an attorney to defend a Board member or Staff member who is found to be personally liable by virtue of actions outside the scope of his or her employment or function, or is found to have acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property, the individual shall be required to reimburse the District for funds so expended. The District may recover such funds in a civil action against such individual.
6. The District agrees to pay any final judgment, including damages, fines, penalties or other damages, costs, and attorney's fees and costs, arising from any complaint for damages or injuries suffered as a result of any action or omission of action of any Board member or Staff member as described in Section 111.07, Florida Statutes. If the action arises under Section 768.28, Florida Statutes, as a tort claim, the limitations and provisions of that section governing payment shall apply. If the action is a civil rights

action arising under 42 U.S.C. § 1983, or similar federal statutes, payment for the full amount of judgment may be made unless the individual has been determined in the final judgment to have caused the harm intentionally. The District agrees to pay any compromise or settlement of any claim or litigation described in this paragraph; provided, however, that the District determines such compromise or settlement to be in the District's best interest.

7. To ensure the provision of legal representation pursuant to this Resolution, the following must be met:
 - a. A copy of the summons, complaint, notice, demand letter or other document or pleading in the action, or a letter setting forth the substance of any claim or complaint, must be delivered to the District Manager within fourteen (14) calendar days after actual receipt of any such document together with a specific request in writing that the District defend or provide representation for the Board member and/or Staff member. The District Manager shall disseminate such information received to all members of the Board and to the District Attorney as soon as reasonably possible after receipt unless such dissemination is prohibited by law; and
 - b. The Board member and/or Staff member must cooperate continuously and fully with the District in the defense of the action.
8. Any indemnification, legal defense or other protection provided pursuant to this representation shall not extend to:
 - a. Consulting or other outside professional or business activities for which the Board member and/or Staff member received financial or other material compensation, which are outside the scope of his or her District duties and authority; and
 - b. Any independent contractor for whom defense or indemnification is not authorized pursuant to Section 1(b) of this Resolution; and
 - c. Any fine, penalty or other punishment imposed as a result of conviction for a criminal offense, and any legal fees and costs incurred to defend criminal prosecution in which a conviction is obtained; and
 - d. Any indemnification or defense prohibited by law.
9. In the event legal representation or defense is provided pursuant to this Resolution, the Board member and/or Staff member may either:
 - a. Retain legal counsel appointed by the District, in which case legal counsel shall be paid directly by the District; or

- b. Retain legal counsel chosen by the Board member and/or Staff member, in which case the District shall have the right to:
 - i. Approve, in advance, any agreement for legal fees or disbursements; and
 - ii. Pay all or part of the legal fees, costs and other disbursements and to set a maximum for legal fees, costs and other disbursements; and
 - iii. Direct the defense and settle or compromise the action or claim; and
 - iv. Any monies that may be payable by the District shall be reduced or offset by any court costs or attorneys' fees awarded to the Board member or Staff member.
- 10. The benefits of the policy adopted in this Resolution shall not enlarge the rights that would have been available to any third-party plaintiff or claimant in the absence of this policy.
- 11. To the extent permitted by law, this policy shall inure to the benefit of the heirs, personal representatives and estate of the Board member and/or Staff member.
- 12. The District reserves the right to change, modify or withdraw this Resolution in its sole discretion, except as to actions, demand or other claims based on acts or omissions that occurred before the effective change, modification or withdrawal of this Resolution.
- 13. This Resolution shall be effective as of its adoption on the date listed below and shall apply to any acts or omissions occurring after that date.

About FIA

Florida Insurance Alliance (“FIA”), authorized and regulated by the Florida Office of Insurance Regulation, is a non-assessable, governmental insurance Trust. FIA was created in September 2011 at a time when a large number of Special Taxing Districts were having difficulty obtaining insurance.

Primarily, this was due to financial stability concerns and a perception that these small to mid-sized Districts had a disproportionate exposure to claims. Even districts that were claims free for years could not obtain coverage. FIA was created to fill this void with the goal of providing affordable insurance coverage to Special Taxing Districts. Today, FIA proudly serves and protects more than 650 public entity members.

Competitive Advantage

FIA allows qualifying Public Entities to achieve broad, tailored coverages with a cost-effective insurance program. Additional program benefits include:

- Insure-to-value property limits with no coinsurance penalties
- First dollar coverage for “alleged” public official ethics violations
- Proactive in-house claims management and loss control department
- Complimentary risk management services including on-site loss control, property schedule verification and contract reviews
- Online Risk Management Education & Training portal
- Online HR & Benefits Support portal
- HR Hotline
- Safety Partners Matching Grant Program

How are FIA Members Protected?

FIA employs a conservative approach to risk management. Liability risk retained by FIA is fully funded prior to the policy term through member premiums. The remainder of the risk is transferred to reinsurers. FIA’s primary reinsurers, Lloyds of London and Hudson Insurance Company, both have AM Best A XV (Excellent) ratings and surplus of \$2Billion or greater.

In the event of catastrophic property losses due to a Named Storm (i.e., hurricane), the program bears no risk as all losses are passed on to the reinsurers. FIA purchases property reinsurance to withstand the 1,000-year storm event (probability of exceedance .1%). This level of protection is statistically 2 to 3 times safer than competitors and industry norms. FIA members’ property claims resulting from Hurricane Irma in 2017 amounted to less than 4% of the per occurrence coverage available.

What Are Members Responsible For?

As a non-assessable Trust, our members are only responsible for two items:

- Annual Premiums
- Individual Member Deductibles

FIA Bylaws prohibit any assessments or other fees.

Additional information regarding FIA and our member services can be found at www.fia360.org.

RECITALS

WHEREAS, the District is a local unit of special-purpose government established pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, *Florida Statutes* (“**Act**”), as amended; and

WHEREAS, pursuant to the Act, the District was established for the purpose of planning, finance, constructing acquiring, and/or maintaining certain infrastructure improvements and services within the District; and

WHEREAS, the District intends to employ the Engineer on an interim basis to perform engineering, surveying, planning, landscape architecture, construction administration, environmental management, and permitting, financial and economic studies, as defined by a separate work authorization; and

WHEREAS, the Engineer shall serve as District’s professional representative in each service or project to which this Agreement applies and will give consultation and advice to the District during performance of his services.

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained, the acts and deeds to be performed by the Parties and the payments by the District to the Engineer of the sums of money herein specified, it is mutually covenanted and agreed as follows:

Article 1. Scope of Services

A. The Engineer will provide general engineering services, including:

1. Preparation of any necessary reports and attendance at meetings of the District’s Board of Supervisors.
2. Assistance in meeting with necessary parties involving bond issues, special reports, feasibility studies, or other tasks.
3. Any other items requested by the Board of Supervisors.

Article 2. Method of Authorization. Each service or project shall be authorized in writing by the District. The written authorization shall be incorporated in a Work Authorization,

which shall include the scope of work, compensation, project schedule, and special provisions or conditions specific to the service or project being authorized. Authorization of services or projects under this Agreement shall be at the sole option of the District.

Article 3. Compensation. It is understood and agreed that the payment of compensation for services under this Agreement shall be stipulated in each Work Authorization. One of the following methods will be utilized:

- A. Lump Sum Amount - The Parties shall mutually agree to a lump sum amount for the services to be rendered payable monthly in direct proportion to the work accomplished.
- B. Hourly Personnel Rates - For services or projects where scope of services is not clearly defined, or recurring services or other projects where the District desires the use of the hourly compensation rates outlined in **Exhibit A**.

Article 4. Reimbursable Expenses. Reimbursable expenses consist of actual expenditures made by the Engineer, its employees, or its consultants in the interest of the project for the incidental expenses as listed as follows:

- A. Expenses of transportation and living when traveling in connection with a project, for long distance phone calls and telegrams, and fees paid for securing approval of authorities having jurisdiction over the project. All expenditures shall be made in accordance with Chapter 112, *Florida Statutes*, and with the District's travel policy.
- B. Expense of reproduction, postage, and handling of drawings and specifications.

Article 5. Term of Agreement. It is understood and agreed that this Agreement is for interim engineering services. It is further understood and agreed that the term of this Agreement will be from the time of execution of this Agreement by the Parties until such time as the District notifies the Engineer that it has entered into a subsequent agreement for engineering services.

Article 6. Special Consultants. When authorized in writing by the District, additional special consulting services may be utilized by the Engineer and paid for on a cost basis.

Article 7. Books and Records. The Engineer shall maintain comprehensive books and records relating to any services performed under this Agreement, which shall be retained by the Engineer for a period of at least four (4) years from and after completion of any services hereunder. The District, or its authorized representative, shall have the right to audit such books and records at all reasonable times upon prior notice to the Engineer.

Article 8. Ownership of Documents.

- A. All rights in and title to all plans, drawings, specifications, ideas, concepts, designs, sketches, models, programs, software, creation, inventions, reports, or other tangible work product originally developed by the Engineer pursuant to this Agreement (“**Work**

Product”) shall be and remain the sole and exclusive property of the District when developed and shall be considered work for hire.

B. The Engineer shall deliver all Work Product to the District upon completion thereof unless it is necessary for the Engineer in the District’s sole discretion, to retain possession for a longer period of time. Upon early termination of the Engineer’s services hereunder, the Engineer shall deliver all such Work Product whether complete or not. The District shall have all rights to use any and all Work Product. The Engineer shall retain copies of the Work Product for its permanent records, provided the Work Product is not used without the District’s prior express written consent. The Engineer agrees not to recreate any Work Product contemplated by this Agreement, or portions thereof, which if constructed or otherwise materialized, would be reasonably identifiable with the project.

C. The District exclusively retains all manufacturing rights to all materials or designs developed under this Agreement. To the extent the services performed under this Agreement produce or include copyrightable or patentable materials or designs, such materials or designs are work made for hire for the District as the author, creator, or inventor thereof upon creation, and the District shall have all rights therein including, without limitation, the right of reproduction, with respect to such work. The Engineer hereby assigns to the District any and all rights the Engineer may have including, without limitation, the copyright, with respect to such work. The Engineer acknowledges that the District is the motivating factor for, and for the purpose of copyright or patent, has the right to direct and supervise the preparation of such copyrightable or patentable materials or designs.

Article 9. Accounting Records. Records of the Engineer pertaining to the services provided hereunder shall be kept on a basis of generally accepted accounting principles and shall be available to the District or its authorized representative for observation or audit at mutually agreeable times.

Article 10. Reuse of Documents. All documents including drawings and specifications furnished by the Engineer pursuant to this Agreement are instruments of service. They are not intended or represented to be suitable for reuse by the District or others on extensions of the work for which they were provided or on any other project. Any reuse without specific written consent by the Engineer will be at the District’s sole risk and without liability or legal exposure to the Engineer.

Article 11. Estimate of Cost. Since the Engineer has no control over the cost of labor, materials, or equipment or over a contractor’s(s’) methods of determining prices, or over competitive bidding or market conditions, his opinions of probable cost provided as a service hereunder are to be made on the basis of his experience and qualifications and represent his best judgment as a design professional familiar with the construction industry, but the Engineer cannot and does not guarantee that proposals, bids, or the construction costs will not vary from opinions of probable cost prepared by him. If the District wishes greater assurance as to the construction costs, it shall employ an independent cost estimator at its own expense. Services to modify

approved documents to bring the construction cost within any limitation established by the District will be considered additional services and justify additional fees.

Article 12. Insurance. Subject to the provisions of this Article, the Engineer shall maintain insurance during the performance of its services under this Agreement, with limits of liability not less than the following:

Workers' Compensation	Statutory
General Liability	
Bodily Injury (including Contractual)	\$1,000,000/\$2,000,000
Property Damage (including Contractual)	\$1,000,000/\$2,000,000
Automobile Liability	Combined Single Limit \$1,000,000
Bodily Injury / Property Damage	
Professional Liability for Errors and Omissions	\$1,000,000

If any such policy of insurance is a "claims made" policy, and not an "occurrence" policy, the Engineer shall, without interruption, and at the District's option, maintain the insurance for at least three (3) years after the one-year anniversary of this Agreement.

The District, its officers, supervisors, agents, staff, and representatives shall be named as additional insured parties, except with respect to the Worker's Compensation Insurance and the Professional Liability for Errors and Omissions Insurance both for which only proof of insurance shall be provided. The Engineer shall furnish the District with the Certificate of Insurance evidencing compliance with the requirements of this Section. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the state of Florida.

If the Engineer fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, the Engineer shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

Article 13. Contingent Fee. The Engineer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Engineer, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Engineer,

any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

Article 14. Compliance with Governmental Regulations. In performing its obligations under this Agreement, the Engineer and each of its agents, servants, employees or anyone directly or indirectly employed by the Engineer, shall comply with all applicable laws, ordinances, rules, regulations, and orders of any public or governmental authority having appropriate jurisdiction. If the Engineer fails to notify the District in writing within five (5) days of the receipt of any notice, order, required to comply notice, or a report of a violation of an alleged violation, made by any local, State or Federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement or any action of the Engineer or any of its agents, servants, or employees, or fails to comply with any requirement of such agency within five (5) days after receipt of any such notice, order request to comply notice, or report of a violation or an alleged violation, the District may terminate this Agreement, such termination to be effective upon the giving of notice of termination.

Article 15. Compliance with Professional Standards. In performing its obligations under this Agreement, the Engineer and each of its agents, servants, employees or anyone directly or indirectly employed by Engineer, shall maintain the highest standard of care, skill, diligence and professional competency for such work and/or services. Any designs, drawings, reports or specifications prepared or furnished by the Engineer that contain errors, conflicts or omissions will be promptly corrected by Engineer at no cost to the District.

Article 16. Audit. The Engineer agrees that the District or any of its duly authorized representatives shall, until the expiration of four (4) years after expenditure of funds under this Agreement, have access to and the right to examine any books, documents, papers, and records of the Engineer involving transactions related to this Agreement. The Engineer agrees that payment made under this Agreement shall be subject to reduction for amounts charged thereto that are found on the basis of audit examination not to constitute allowable costs. All required records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three (3) years after completion of all work under this Agreement.

Article 17. Indemnification. The Engineer agrees, to the fullest extent permitted by law, to indemnify, defend, and hold the District harmless of and from any and all liabilities, claims, causes of action, demands, suits, or losses arising from the negligent acts, errors or omissions of the Engineer, Engineer's agents or employees, in the performance of professional services under this Agreement. Engineer agrees and covenants that nothing herein shall constitute or be construed as a waiver of the District's sovereign immunity pursuant to section 768.28, *Florida Statutes*.

Article 18. Public Records. The Engineer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, accordingly, the Engineer agrees to comply with all applicable provisions of Florida law in handling such records, including, but not limited, to section 119.0701, *Florida Statutes*. Among other requirements and to the extent applicable by law, the Engineer shall 1) keep and maintain

public records required by the District to perform the service; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of this Agreement term and following this Agreement term if the Engineer does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of this Agreement, transfer to the District, at no cost, all public records in the Engineer's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by the Engineer, the Engineer shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats. The Engineer acknowledges that the designated Public Records Custodian for the District is **Jim Perry**.

**TRI-PARTY INTERLOCAL AND COST SHARE AGREEMENT REGARDING
SHARED IMPROVEMENT OPERATION AND MAINTENANCE SERVICES AND
PROVIDING FOR THE JOINT USE OF AMENITY FACILITIES**

THIS AGREEMENT is made and entered into this 1st day of November 2019, by and
between:

RIVERS EDGE COMMUNITY DEVELOPMENT DISTRICT, a local unit of
special-purpose government established pursuant to Chapter 190, *Florida Statutes*,
being situated in St. Johns County, Florida ("Rivers Edge"); and

RIVERS EDGE II COMMUNITY DEVELOPMENT DISTRICT, a local unit
of special-purpose government established pursuant to Chapter 190, *Florida
Statutes*, being situated in St. Johns County, Florida ("Rivers Edge II" and together
with Rivers Edge, the "Districts"); and

MATTAMY JACKSONVILLE, LLC, a foreign limited liability company
("Mattamy", and together with the Districts, the "Parties"), and landowner of
certain lands that are anticipated in the future to become Rivers Edge III
Community Development District ("Rivers Edge III") as more particularly
described herein.

RECITALS

WHEREAS, the Districts are local units of special purpose government each located entirely
within St. Johns County, Florida; and

WHEREAS, the Districts were established pursuant to Chapter 190, *Florida Statutes*, for the
purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure,
including roadway improvements, stormwater facilities and facilities for parks and recreational,
cultural and educational uses; and

WHEREAS, the Districts are located within the RiverTown Development of Regional
Impact ("DRI"), which DRI requires the provision of certain offsite and onsite roadway
improvements, supporting stormwater facility improvements and recreational improvements,
which may be jointly satisfied by the Districts and together comprise the development known as
"RiverTown"; and

WHEREAS, even though the properties within Rivers Edge and Rivers Edge II are subject to community development districts that are separate legal subdivisions of the State of Florida, the parties hereto have committed to working together by setting an example of collaborative leadership focused on excellence and making a pledge to work in partnership with each other and with the residents to plan for the future of the community as a whole; and

WHEREAS, Mattamy is the majority landowner within the Districts and also landowner of lands on which it is anticipated Rivers Edge III will be established, which property and special district is anticipated to participate in, and benefit from, the Improvements (hereinafter defined) and is anticipated to construct further improvements that will become shared Improvements and will share in the costs associated therewith as more particularly described herein; and

WHEREAS, Mattamy is anticipated to fund the costs associated with the future Rivers Edge III until establishment of such special district, at which time this Agreement is anticipated to be amended to include said district as more particularly described herein; and

WHEREAS, the Parties together benefit from certain roadway improvements and surface water management system improvements located within and outside the boundaries of the Districts, including but not limited to, certain State Road 13 roundabouts, County Road 244 landscape maintenance and certain surface water management system improvements that support County Road 244, County Road 223 and State Road 13, as more particularly identified in Exhibit A, attached hereto and incorporated herein by reference (the "Offsite Improvements"); and

WHEREAS, the Parties each independently own, or are anticipated to independently own, certain recreational facilities and related improvements within each of their respective boundaries, which include for Rivers Edge the River House with related improvements and for Rivers Edge II, the River Club and related improvements (the "Amenity Facilities") and identified in Exhibit B, attached hereto and incorporated herein by reference; and

WHEREAS, the Parties each independently own certain other improvements that include landscaping, irrigation, pocket parks and stormwater facilities within their respective boundaries, as more particularly described in Composite Exhibit C, attached hereto and incorporated herein by reference ("Additional Improvements", and together with the Offsite Improvements and the Amenity Facilities, hereinafter, the "Improvements"); and

WHEREAS, the Parties hereby agree that due to economy of scale and other considerations, the funding for operation, management and maintenance of the Improvements shall be shared based on the attached methodology, and said costs shall be allocated according thereto, which methodology is attached hereto as Composite Exhibit D, and incorporated herein by this reference, which may change from time to time as the development plan may change ("Cost Share"); and

WHEREAS, Chapter 190 and section 163.01, Florida Statutes, as amended (the "Interlocal Cooperation Act"), permits local governmental units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and to thereby provide services and facilities in a manner and pursuant to forms of governmental organization

that will accord best with geographic, economic, population, and other factors influencing the needs and development of local communities; and

WHEREAS, under the Interlocal Cooperation Act, the Districts may enter into an interlocal agreement in order to, among other things, provide for the operation, maintenance, repair and replacement of the Improvements, and ensure that all landowners within the Districts shall have continued use of the Improvements; and

WHEREAS, the Districts wish to enter into an agreement to jointly exercise their statutory powers in a cost-effective, equitable and rational manner; and

WHEREAS, the Districts and Mattamy hereby desire to enter into this Interlocal Agreement.

NOW, THEREFORE, in consideration of the recitals, agreements, and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties agree as follows:

1. RECITALS. The Recitals state above are hereby confirmed by the Parties as true and correct and are hereby incorporated herein by reference.

2. RECREATION USAGE RIGHTS AND LIMITATION ON USAGE RIGHTS.

- A. *Recreation Usage Rights.*** Rivers Edge hereby agrees to make available to those persons owning real property and/or residing within Rivers Edge II, as such is defined in law and the Rivers Edge II adopted Amenity Use Policies ("Rivers Edge II Resident Landowners"), the rights to use Amenity Facilities owned by Rivers Edge to the same extent as those persons owning real property and/or residing within Rivers Edge, as such is defined in law and the Rivers Edge adopted Amenity Use Policies ("Rivers Edge Resident Landowners" and together with the Rivers Edge II Resident Landowners, hereinafter together referred to as "Resident Landowners"). Rivers Edge II hereby agrees to make available to Rivers Edge Resident Landowners the rights to use Amenity Facilities owned by Rivers Edge II to the same extent as Rivers Edge II Resident Landowners. All usage shall be subject to the Districts' adopted Amenity Use Policies, including the payment of all relevant use and rental fees and suspension and termination rules.
- B. *Limitation on Usage Rights.*** Without the written consent of the other, neither Rivers Edge nor Rivers Edge II shall have the authority to permit or enter into an agreement with another entity expanding these usage rights for the benefit of persons or entities who are not Resident Landowners of either District.
- C. *Annual User Rate Agreement.*** The Districts hereby agree that each will adopt one individual Annual User Rate in the amount of \$4,000.00 that allows a nonresident user to access the Amenity Facilities for a one-year period so long as this Agreement is in effect. The Districts may jointly agree

to modify this amount or allow other types of annual user-rates. Proceeds from the payment of Annual User Rates shall be allocated on a pro-rata basis in accordance with each party's portion of the Shared Costs as further identified in Section 4 herein and in **Composite Exhibit C**.

- D. *Additional Amenities.*** Rivers Edge and Rivers Edge II hereby agree to extend the same rights and responsibilities contained in this Agreement to Rivers Edge III once established and upon acceptance of this Agreement by the Rivers Edge III Board of Supervisors.

3. DISTRICTS' OBLIGATIONS FOR AMENITY FACILITIES.

A. Rivers Edge obligations are as follows:

- (i) *General duties.* Rivers Edge shall be responsible for the management, operation and maintenance of the Improvements and the River House (but not the River Club) on its own or through its selected contractors, in a lawful manner and in accordance with applicable permits, regulations, code and ordinances. However, such responsibility shall not alter the rights, responsibilities and cost allocations as set forth herein.
- (ii) *Inspection.* Rivers Edge II may conduct regular inspections of the Improvements and shall report any irregularities to the Rivers Edge District Manager, or his/her designated representative.
- (iii) *Investigation and Report of Accidents/Claims.* Rivers Edge shall investigate and provide a report to the Rivers Edge II District Manager, or his/her designee, as to all accidents or claims for damage relating to maintenance and operation of the Improvements and the River House and Rivers Edge II shall do the same for the River Club. Such report shall at a minimum include a description of any damage or destruction of property. The Parties, to the extent necessary, shall cooperate and aid one another in making any and all reports required by any insurance company or as required by the other in connection with any accident or claim (including but not limited to claims filed with FEMA). No Party shall file any claims with the other's contractor(s) or insurance company without the prior written consent of the others Board of Supervisors.
- (iv) *Compliance with Bidding Requirements of Florida Law and Payment of Shared Costs of Improvements.* Rivers Edge shall be responsible for procuring bids, and in the event required to do so by law, publicly bidding all work necessary to operate and maintain the Improvements and the River House in compliance with applicable permits, regulations and DRI requirements. Rivers Edge II shall have the same responsibility for the River House and any other Improvements operated and maintained under its authority. Mattamy shall have the same responsibility for any Improvements

operated and maintained under its authority. Rivers Edge II and Mattamy shall provide to Rivers Edge on or before May 15 of each year the anticipated operation, management and maintenance costs associated with the River Club and any other improvements for which it is responsible that make up the Improvements identified hereunder so that such projected costs can be calculated consistent with this Agreement and disseminated to the Parties for budgeting purposes. Rivers Edge shall provide annually on or before June 1 to Rivers Edge II and Mattamy the total amount anticipated for the succeeding fiscal year for operation, management and maintenance of the Improvements, along with the projected Shared Costs, which calculation shall be as set forth in Section 4 herein. Failure to provide the required information by the dates set forth herein may be waived upon a showing of good cause; provided however that the Parties hereby agree the importance of timely submitted information for purposes of compliance with Florida law for budget approval and adoption.

B. Rivers Edge II obligations are as follows:

- (i) *General duties.* Rivers Edge II shall be responsible for the management, operation and maintenance of the River Club on its own or through its selected contractors, in a lawful manner and in accordance with applicable permits, regulations, code and ordinances.
- (ii) *Inspection.* Rivers Edge may conduct regular inspections of the River Club and shall report any irregularities to the Rivers Edge II District Manager, or his/her designated representative.
- (iii) *Compliance with Bidding Requirements of Florida Law and Payment of Shared Costs of Improvements.* Rivers Edge II shall provide to Rivers Edge annually on or before May 15 the total amount anticipated for the succeeding fiscal year for operation and maintenance of the River Club. Rivers Edge II shall be responsible for remittance of its portion of the Shared Costs (as set forth herein) within fifteen (15) days of receiving a timely submitted invoice from Rivers Edge, which amount is anticipated to be billed monthly or more often as may be required to assure cash flow. The appropriate cost shall be as set forth in Section 4 herein.

C. Mattamy obligations are as follows:

- (i) Mattamy hereby agrees that the Improvements, operations and services provide a special and peculiar benefit equal to or in excess of the costs reflected in the exhibits hereto to the property owned by Mattamy.
- (ii) Mattamy agrees to make available to the District the monies

necessary for the Shared Costs as called for in each year's adopted budgets by the Districts, which amounts will be determined each year and as may be amended from time to time in each District's sole reasonable discretion, within fifteen (15) days of written request by the District. Amendments to a District's budget adopted by that District at a duly noticed meeting shall have the effect of amending this Agreement without further action of the Parties. Funds provided hereunder shall be placed in the District's general checking account. In no way shall the foregoing in any way affect any District's ability to levy special assessments upon the property within that District, including any property owned by Mattamy, in accordance with Florida law, to provide funds for any unfunded expenditures whether such expenditures are the result of an amendment to the Districts' Budgets or otherwise.

- (iii) In the event Mattamy sells or otherwise disposes of its business or of all or substantially all of its assets relating to the Improvements, Mattamy shall continue to be bound by the terms of this Agreement until its obligations under this Agreement are deemed fulfilled as described herein, and additionally shall expressly require that the purchaser agree to be bound by the terms of this Agreement. In the event of such sale or disposition, Mattamy may place into escrow an amount equal to the then-unfunded portion of the applicable Shared Costs to fund any budgeted expenses that arise during the remainder of the applicable fiscal year. Upon (1) confirmation of the deposit of said funds into escrow, (2) evidence of an assignment to, and assumption by the purchaser of, this Agreement, and (3) acceptance by the Districts, Mattamy's obligation under this Agreement shall be deemed fulfilled. Mattamy shall give 90 days prior written notice to the Districts under this Agreement of any such sale or disposition.
- (iv) The Parties hereby agree to extend the same rights, obligations and responsibilities contained in this Agreement, including but not limited to this Section, to Rivers Edge III once established and upon acceptance of this Agreement by the Rivers Edge III Board of Supervisors.

4. MAINTENANCE CONTRACTS AND COST SHARING.

- A. Rivers Edge, through its contractor(s), shall be responsible for providing management and maintenance of the Offsite Improvements and the Additional Improvements. The Parties shall each be individually responsible for providing for the operation, management and maintenance of their respective Amenity Facilities, including contracting for such services, but such costs shall be part of the Shared Costs.
- B. Each party shall be responsible for its proportionate share of the costs associated with the operation, management and maintenance of the

Improvements, as well as its proportionate share for funding of capital reserves based on a reserve study report and recommendation to be prepared by the Parties' management, which shall together be considered "Shared Costs" and is as more particularly set forth in Composite Exhibit D. Such Shared Costs shall be calculated based upon consultation with the Parties methodology consultant(s) and engineer(s) and may change from time to time, based on updates to the development plan of the Parties properties. Based upon the current development plan for RiverTown, the calculations are as set forth in the table supporting such calculation in the attached Exhibit D. The Shared Costs percentage and total cost may change from time to time based on market factors affecting cost of labor, capital reserve requirements, delivery of additional infrastructure that is considered an "Improvement" and other factors. The costs anticipated for total operation and maintenance of the Improvements as of the effective date of this Agreement, for purposes of reference only, are as set forth in Exhibit D. Rivers Edge, in its sole and absolute discretion, will provide the selection of contractor(s) for operation and maintenance of the Offsite Improvements, Additional Improvements and the Rivers House, but not the River Club, and will separately invoice Rivers Edge II and Mattamy/Rivers Edge III for their proportionate shares of the Shared Costs. Rivers Edge II, in its sole and absolute discretion, will select its contractor(s) for operation and maintenance of the River Club and such costs shall be considered Shared Costs. It is further anticipated Rivers Edge III will have facilities that also make up "Improvements" which shall be shared in the future and will also be responsible for selecting its contractor(s) for operation and maintenance of its Amenity Facilities.

5. APPROVAL OF SUPPLEMENTAL MAINTENANCE SERVICES. Should any of the Parties desire enhanced or supplemental maintenance services of the Improvements, such Party shall notify the other Parties in advance and in writing, of such request, and the Parties shall work in good faith to determine the appropriate level of enhancement or maintenance services and the appropriate cost share associated therewith, if any, and such agreement shall be as set forth in a separate written instrument that provides the scope of services, compensation and cost share associated therewith. The Parties hereby acknowledge and agree that according to the current development plan for RiverTown community, additional improvements are expected to be added to the "Improvements" category. The addition of such improvements shall be as determined jointly by the Parties engineer(s) and based upon the RiverTown development plan. The calculation of Shared Costs for such additional improvements shall be determined together by each Parties engineer(s) and methodology consultant(s) and shall be subject to the terms and conditions of this Agreement. Mattamy hereby recognizes the methods for determining said calculation and so long as such methodology and calculation is reasonable, hereby agrees to waive any objections, suits, demands or other challenge to the validity of the methodology and costs included in the Shared Costs.

6. DEFAULT; CONFLICT RESOLUTION; TERMINATION.

A. *Default; Cure.* A default by any party under this Interlocal Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, damages, injunctive relief and specific performance. Each of the Parties hereto shall give the other Parties written notice of any defaults hereunder and shall allow the defaulting party not less than fourteen (14) days from the date of receipt of such notice to cure monetary defaults and thirty (30) days to cure other defaults.

B. *Joint Meeting.* When requested by a District Board, as evidenced by a vote of such Board, to discuss issues of concern regarding the subject of this Agreement, a "Joint Meeting" shall be called and noticed pursuant to the legal requirements of public meetings. The Parties agree to use good faith negotiation in efforts to resolve any such issues or areas of concern relating to the subject of this Agreement.

C. *Mediation.* In the event the Parties are unable to resolve the issues which are the subject of the Joint Meeting, the Parties shall submit their dispute to mediation. The Parties agree to cooperate in the selection of a mediator, and agree to share equally in mediation expenses, including the fees of the mediator. However, each party shall be responsible for the fees of its counsel. This mediation shall be held within forty-five (45) days of the conclusion of the Joint Meeting. This provision in no way abdicates the responsibilities of each party as set forth in the Agreement.

D. *Mutual Termination.* The Parties shall have the option of terminating this Agreement only by entering into a written Termination Agreement, jointly approved by the Parties which shall be filed with the Clerk of the Circuit Court of St. Johns County, Florida. Recognizing that this Interlocal Agreement is necessary to ensure the continued maintenance of Improvements, including those that are required by various development approvals that service County and State roadways, the Parties agree each will continue to fund the operation and maintenance of the Improvements through and until the final resolution of disagreements hereunder. Mattamy may terminate its obligations under this Agreement upon notifying the Districts of an assignment of its rights and responsibilities under this Agreement, which assignment must be approved, reduced to writing and executed by the Districts and which approval will not be unreasonably withheld, as more particularly set forth in Section 3 herein.

7. INSURANCE. During the term of this Agreement, the Parties shall each maintain general liability coverage in an amount sufficient to protect its interests relative to the Improvements. Further, the Parties shall require any contractor retained to perform any of the services or other related work for the Improvements to maintain at the minimum the following insurance coverage throughout the term of this Agreement:

- A.** Worker's Compensation Insurance in accordance with the laws of the State of Florida.
- B.** Commercial General Liability Insurance covering the Contractor's legal liability for bodily injuries, with limits of not less than \$3,000,000 combined

single limit bodily injury and property damage liability, and including, at a minimum, Independent Contractors Coverage for bodily injury and property damage in connection with subcontractors' operation.

- C.** Employer's Liability Coverage with limits of at least \$1,000,000 (one million dollars) per accident or disease.
- D.** Automobile Liability Insurance for bodily injuries in limits of not less than \$1,000,000 combined single limit bodily injury and for property damage, providing coverage for any accident arising out of or resulting from the operation, maintenance, or use by the Contractor of any owned, non-owned, or hired automobiles, trailers, or other equipment required to be licensed.
- E.** Require such contractor(s) to name Rivers Edge and its supervisors, officers, staff, employees, representatives, and assigns and Rivers Edge II and its supervisors, officers, staff, employees, representatives, and assigns, and Mattamy Jacksonville, LLC and its officers, employees, representatives and assigns as additional insureds under the insurance policy.

8. IMMUNITY. Nothing in this Interlocal Agreement shall be deemed as a waiver of immunity or limits of liability of any Party to which such immunity may otherwise apply, including their supervisors, officers, agents and employees and independent contractors, beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, Florida Statutes, or other statute, and nothing in this Interlocal Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

9. NEGOTIATION AT ARM'S LENGTH. This Agreement has been negotiated fully between the Parties as an arm's length transaction. The Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all Parties hereto are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

10. AMENDMENT. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by all of the Parties hereto.

11. AUTHORITY TO CONTRACT. The execution of this Agreement has been duly authorized by the appropriate body or official of the Parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

1.0 Introduction

1.1 The Districts

The Rivers Edge Community Development District and Rivers Edge II Community Development Districts (together, the "Districts") are local units of special-purpose government, created pursuant to Chapter 190, Florida Statutes. The Districts are part of the development known as RiverTown ("RiverTown"). A third community development district is planned, and the establishment petition filed with St. Johns County as of the date of this report, which is anticipated to be known as the Rivers Edge III Community Development District ("Rivers Edge III CDD", and with the Districts, the "Parties" or individual each the "party"). All three special districts will serve the residents within RiverTown. The Districts were established for the propose of, among other things, financing and managing the acquisition, construction, maintenance and operation of public infrastructure necessary for development to occur within RiverTown; likewise, Rivers Edge III is expected to be establish for the same purposes.

RiverTown is a master-planned community generally located south of Greenbriar Road and north and east of State Road 13. The planned development for the Districts and Rivers Edge III includes a total of approximately 5,039 residential units. Each individual party has its own development program and infrastructure it is anticipated to finance, construction and own/operate. The Districts and Mattamy Jacksonville, LLC (as 100% landowner of the lands anticipated to be established as Rivers Edge III) have entered into an Tri-party Interlocal and Cost Share Agreement Regarding Shared Improvement Operation and Maintenance services and Providing for the Joint Use of Amenity Facilities ("Interlocal Agreement") dated October 16 ,2019 to share landscape, stormwater and amenity operating costs. After Rivers Edge III CDD

establishment, it is anticipated it will replace Mattamy Jacksonville, LLC as a party to the interlocal agreement. Each District has their own budget and each is currently responsible for the costs associated with its infrastructure subject to the cost allocations contained in the Interlocal Agreement.

The parties to the Interlocal Agreement have determined it in their individual and collective best interests to enter into the Interlocal Agreement as community resources are not necessarily bounded by the geographically established areas of each special district boundary. Furthermore, the Parties recognize the cost sharing advantages resulting from economies of scale associated with community development within RiverTown.

1.2 Executive Summary

This Cost Sharing Operations and Maintenance Services – Landscaping and Amenities Report ("Cost Share Report" or "Report") is structured to allocate the landscaping, stormwater and amenity operation and maintenance expenditures for infrastructure within each of the special districts to each of the Parties. The concept of this Cost Share Report is to allocate the costs of master/community landscaping, irrigation, stormwater and recreational amenities to the Parties based upon the ratio of equivalent residential units ("ERU") in each of the Parties boundaries relative to the total ERU's in RiverTown. Such shared costs are further defined in this Report. The development program for RiverTown and relative ERU's are contained in **Exhibit A** of this Report.

The exhibits contained in this Report will be updated annually to reflect the changes in budgeted and projected costs that are anticipated to be shared. The sharing of costs does not infer additional responsibilities, ownership or provide for additional rights for any of the Parties that is not explicitly set forth in the Interlocal Agreement, which may be amended from time to time.

2.0 The Operations and Maintenance Expenditures of the Parties

2.1 Landscaping/Irrigation/Stormwater

Landscaping costs have been structured into "master" and "additional landscaping" categories. The master landscaping category costs include the main roadways in and abutting each special district boundary and include not only landscaping costs but also costs for irrigation, reuse water, electric, stormwater management and administration. The "additional landscaping" category costs include neighborhood landscaping areas and also include costs for irrigation, reuse water, electric, stormwater and administration. The shared landscaping costs for Rivers Edge CDD reflect the current budgeted costs plus future planned costs within that district. Since Rivers Edge II and III are in the process of development, the landscaping costs associated with these districts are estimated based upon engineering and staff input and based upon current development plans.

2.2 Amenities

Amenity costs reflect the current budgeted costs for the RiverHouse and RiverClub along with a budget estimated for the Rivers Edge CDD III planned amenities. For Rivers Edge II the costs allocated do not include the costs associated with the café operations and as such no profit or loss from the café will be allocated to Rivers Edge or Rivers Edge III. Any profit or loss from café operations will be solely retained by Rivers Edge II.

3.0 Cost sharing Allocation

3.1 Structure

The cost for landscaping/irrigation/stormwater and amenities are grouped together for each party and then allocated based upon the relative ratio of ERUs in each party's boundary to the total ERUs of RiverTown. As noted above in the executive summary, ERU's have been based upon actual or projected development unit types and benefit.

3.2 Landscaping/Irrigation/Stormwater Allocation to the Parties

The cost share allocation for the landscaping category includes costs for: landscaping, irrigation, reuse water, electric, stormwater and administration. The costs for each party are summarized on **Exhibit B** and are then allocated to

each party based upon the relative ratio of ERUs in each party's boundary to the total ERUs of RiverTown. Once the allocation of landscaping category costs is established the amount of cost sharing due to/(from) is determined based upon the allocation of costs relative to the budgeted costs for that particular party.

3.3 Amenity Allocation to the Parties

The cost share allocation for the amenity's category includes the budgeted costs for each party. For Rivers Edge the budgeted costs for the RiverHouse are included less the revenues retained for special events. This is necessary because the costs for special events are included in the amenity costs for the RiverHouse. For Rivers Edge II the budgeted costs for the RiverClub are included, less café costs and special event revenues which are treated the same as Rivers Edge. A few additional adjustments are made to Rivers Edge II to reflect costs that have already been allocated or should not be reflected for cost sharing. For Rivers Edge III the projected budgeted costs for amenities is included in the cost share allocation. The methodology for the allocation of amenity costs is contained in **Exhibit C** and as such contains the adjustments described above. Once the allocation of amenity costs is established the amount of cost sharing due to/ (from) is determined based upon the allocation of amenity costs relative to the budgeted costs for that particular party.

**TEMPORARY CONSTRUCTION AND
ACCESS EASEMENT AGREEMENT**

THIS TEMPORARY CONSTRUCTION AND ACCESS EASEMENT AGREEMENT (“**Agreement**”) is made and entered into this 15th day of April, 2020, by and between **MATTAMY JACKSONVILLE, LLC**, a Delaware limited liability company, with a mailing address of 4901 Vineland Road, Suite 450, Orlando, Florida 32811 (“**Grantor**”) in favor of **RIVERS EDGE III COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, with a mailing address is C/O Governmental Management Services, LLC, 475 West Town Place, Suite 114, St. Augustine, FL 32092 (“**Grantee**” or the “**District**”) (Grantor and Grantee are sometimes together referred to herein as the “**Parties**”, and separately as the “**Party**”).

WITNESSETH:

WHEREAS, Grantor is the owner in fee simple of that certain parcel of real property located in St. Johns County, Florida, being more particularly described on **Exhibit “A”** attached hereto, and by this reference incorporated herein (“**Easement Area**”); and

WHEREAS, Grantee intends to complete within the Easement Area various public infrastructure improvements as described in the **District’s Master Improvement Plan, dated [REDACTED]** (collectively the improvements set forth therein, “**Improvements**”); and

WHEREAS, Grantor desires to grant to Grantee a temporary, non-exclusive construction and access easement on, upon, over, under, across, and through the Easement Area for the sole purpose of constructing the Improvements, until either construction of the Improvements is completed or the Grantee acquires the Easement Area, whichever occurs first.

NOW, THEREFORE, for and in consideration of Ten and No/100 Dollars (\$10.00) in hand paid by the Grantee to the Grantor, the mutual covenants and agreements herein set forth and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby expressly acknowledged by the Parties, the Parties do hereby agree as follows:

1. **Recitals.** The foregoing recitals are true and correct and are incorporated herein by this reference.

2. **Temporary Construction Easement.** Grantor does hereby grant, bargain, sell and convey to Grantee a temporary, non-exclusive easement on, upon, over, under, across and through the Easement Area for access, ingress, egress and to allow Grantee to complete the design, construction and installation of the Improvements (collectively, “**Easement**”).

3. **Term of Easement.** Upon the earlier of (i) the completion of all Improvements and the acceptance of such by the District’s Board of Supervisors, (ii) recordation of a release of the Easement in the Public Records of St. Johns County, Florida, or (iii) recordation of a plat in the Public Records of St. Johns County, Florida, then this Agreement shall automatically terminate and be extinguished and all rights in the Easement granted by this Agreement shall immediately revert to the Grantor, its successors, transferees and assigns, without further action of the Grantor or Grantee being required with respect to such Easement Area. Upon termination of this Agreement, as provided herein, and upon request by Grantor, Grantee shall promptly execute and deliver to Grantor a document in recordable form confirming termination of this Agreement and the Easement granted herein. Should the Grantee acquire the Easement Area from the Grantor prior to the occurrence of events (i) and (ii) enumerated herein, this Agreement shall automatically terminate and be extinguished and all rights in the Easement granted by this Agreement shall immediately vest in the Grantee, its successors, transferees and assigns, without further action of the Grantor or Grantee being required with respect to such Easement Area.

4. **Insurance and Indemnity.** Grantee and/or any contractors performing work for Grantee on the Easement Area, shall at all times maintain general public liability insurance to afford protection against any and all claims for personal injury, death or property damage arising directly or indirectly out of the exercise of the rights and privileges granted. Said insurance maintained by any contractors performing work for Grantee on the Easement Area shall be issued by solvent, reputable insurance companies authorized to do business in the State of Florida, naming Grantee and Grantor as insured, as their interests may appear, in a combined-single limit of not less than \$1,000,000.00 with respect to bodily injury or death and property damage. Said insurance shall also be primary, and not contributory, as to any insurance coverage maintained by Grantor. To the extent permitted by law and without waiving any of the protections afforded by Section 768.28, *Florida Statutes*, Grantee hereby agrees to indemnify and hold harmless Grantor from and against any and all liability arising out of Grantee’s construction activities within the Easement Area.

5. **Obligations of Grantor and Grantee.** The Parties acknowledge and agree that any rights granted hereunder shall be exercised by the Parties only in accordance and compliance with any and all applicable laws, ordinances, rules, regulations, permits and approvals, and any future modifications or amendments thereto. The Parties covenant and agree that neither party shall discharge into or within the Easement Area, any hazardous or toxic materials or substances, any pollutants, or any other substances or materials prohibited or regulated under any federal, state or local law, ordinance, rule, regulations or permit, except in accordance with such laws, ordinances, rules, regulations and permits. To the extent permitted by law and without waiving any of the protections afforded by Section 768.28, *Florida Statutes*, each Party hereby agrees to indemnify and hold harmless the other Party from and against any and all liability arising out of such Party’s breach of any provision of this Agreement, including, without limitation, the matters set forth in this paragraph.

6. **Beneficiaries of Easement Rights.** The Easement set forth in this Agreement shall be for the sole benefit and use of Grantee, its successors and assigns, and Grantee's agents, employees, consultants, representatives, contractors and providers of emergency services and utility services.

7. **Amendments and Waivers.** This Agreement may not be terminated or amended, modified, altered, or changed in any respect whatsoever, except by a further agreement in writing duly executed by the Parties and recorded in the Public Records of St. Johns County, Florida. No delay or omission of any Party in the exercise of any right accruing upon any default of any Party shall impair such right or be construed to be a waiver thereof, and every such right may be exercised at any time during the continuance of such default. A waiver by any Party of a breach of, or a default in, any of the terms and conditions of this Agreement by any other Party shall not be construed to be a waiver of any subsequent breach of or default in the same or any other provision of this Agreement. No breach of the provisions of this Agreement shall entitle any Party to cancel, rescind or otherwise terminate this Agreement, but such limitation shall not affect, in any manner, any other rights or remedies which any Party may have by reason of any breach of the provisions of this Agreement.

The District agrees to allow the Landowner access to and use of the Work Product without the payment of any fee by the Landowner. However, to the extent the Landowner’s access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, the Landowner agrees to pay such cost or expense.
- e. **Transfers to Third-Party Governments** – If any item acquired is to be conveyed to a third-party governmental body, then the Landowner agrees to cooperate and provide such certifications, documents, bonds, warranties, and/or forms of security as may be required by that governmental body, if any.

3. CONVEYANCE OF REAL PROPERTY. In the event that Future Bonds are issued, the parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement, as may be amended from time to time, on the Acquisition Date. In the event of such an acquisition, the Landowner agrees that it will convey to the District at or prior to the Acquisition Date as determined solely by the District, by a special warranty deed or other instrument acceptable to the District's Board of Supervisors together with a metes and bounds or other description, the Real Property upon which any Improvements are constructed or which are necessary for the operation and maintenance of, and access to, the Improvements.

- c. ***Landowner Reservation*** – Any conveyance of Real Property hereunder by special warranty deed or other instrument shall be subject to a reservation by Landowner of its right, easement and privilege to use the area conveyed to construct any Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of the development) not inconsistent with the District's use, occupation or enjoyment thereof.
- d. ***Fees, Taxes, Title Insurance*** – The Landowner shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the Real Property upon which the Improvements are constructed. The Landowner shall be responsible for all taxes and assessments levied on the Real Property upon which the Improvements are constructed until such time as the Landowner conveys all said lands to the District. At the time of conveyance, the Landowner shall provide, at its expense, an owner's title insurance policy or other evidence of title in a form satisfactory to the District.
- e. ***Boundary Adjustments*** – Landowner and the District agree that future boundary adjustments may be made as deemed reasonably necessary by both parties in order to accurately describe Real Property conveyed to the District and lands which remain in Landowner's ownership. The parties agree that any Real Property transfers made to accommodate such adjustments shall be accomplished by donation. However, the party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other costs. Landowner agrees that if a court or other governmental entity determines that a re-platting of the Real Property within the District is necessary, Landowner shall pay all costs and expenses associated with such actions.

4. TAXES, ASSESSMENTS, AND COSTS.

- a. ***Taxes and Assessments on Property Being Acquired.*** The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Landowner agrees to place in escrow with the County tax collector an amount equal to the current ad valorem taxes and non-ad valorem assessments (with the exception of those ad valorem taxes and non-ad valorem assessments levied by the District) prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.

- i. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Landowner agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.
 - ii. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.
- b. **Notice.** The parties agree to provide notice to the other within thirty (30) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes, assessments, or costs imposed on the property acquired by the District as described in subsection a. above. The Landowner covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Landowner fails to make timely payment of any such taxes, assessments, or costs, the Landowner acknowledges the District's right to make such payment. If the District makes such payment, the Landowner agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.
- c. **Tax liability not created.** Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Landowner or the District. Furthermore, the parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

5. ACQUISITIONS AND FUTURE BOND PROCEEDS. The District may in the future, and in its sole discretion, elect to issue Future Bonds that may be used to finance portions of the Project. In the event that the District issues Future Bonds and has bond proceeds available to finance portions of the Project acquired by the District, and subject to the terms of the applicable documents relating to the Future Bonds, then the District shall promptly make payment for any such acquired Work Product, Improvements or Real Property pursuant to the terms of this Agreement as may be amended from time to time; provided, however, that in the event the District's bond counsel determines that any such acquisitions are not properly compensable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, then the District shall not be obligated to make payment for such acquisitions. In the event the District does not or cannot issue sufficient Future Bonds within five (5) years from the date of this Agreement to pay for all acquisitions related to the Project, and, thus does not make payment to the Landowner for any unfunded acquisitions, then the parties agree that the District shall have no payment or reimbursement obligation whatsoever for those unfunded acquisitions. The

Landowner acknowledges that the District may convey some or all of the Work Product and/or Improvements to a general purpose unit of local government (e.g., the County) and consents to the District's conveyance of such Work Product and/or Improvements prior to any payment being made by the District.

6. DEFAULT. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance.

7. ATTORNEYS' FEES AND COSTS. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

8. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Landowner.

9. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Landowner; both the District and the Landowner have complied with all the requirements of law; and both the District and the Landowner have full power and authority to comply with the terms and provisions of this instrument.

BETWEEN THE RIVERS EDGE III COMMUNITY DEVELOPMENT DISTRICT
AND MATTAMY JACKSONVILLE LLC**

This Bond Financing Team Funding Agreement (“**Agreement**”) is made and entered into this 15th day of April, 2020, by and between:

RIVERS EDGE III COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located in St. Johns County, Florida (“**District**”), and

MATTAMY JACKSONVILLE LLC, a Delaware limited liability company and a landowner in the District with an address of 4901 Vineland Road, Suite 450, Orlando, Florida 32811 (“**Landowner**”).

RECITALS

WHEREAS, the District was established by Ordinance 2020-7 of the St. Johns County Board of County Commissioners, effective March 5, 2020, for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure; and

WHEREAS, the District presently expects to access the public bond market to provide for the financing of certain capital improvements, facilities, and services to benefit the lands within the District; and

WHEREAS, the District and the Landowner desire to enter into this Agreement to provide funds to enable the District to commence its financing program.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. PROVISION OF FUNDS. Landowner agrees to make available to the District such monies as are necessary to proceed with the issuance of bonds or other indebtedness to fund the District’s improvements, facilities and services.

A. Landowner agrees to provide to the District any such monies upon receipt of an invoice from the District requesting such funds. Such funds, and all future funds provided pursuant to this Agreement, may be supplied by check, cash, wire transfer or other form of payment deemed satisfactory in the sole discretion of the District as determined by the District Manager. The District agrees to authorize District staff, including the District Engineer, District Manager, and District Counsel to proceed with the work contemplated by this Agreement and to retain Bond Counsel and a Methodology Consultant and other professional assistance as may be necessary to proceed with the work contemplated by this Agreement.

B. Landowner and the District agree that all fees, costs or other expenses incurred by the District for the services of the District's Engineer, Counsel, Methodology Consultant or other professionals, for the work contemplated by this Agreement shall be paid solely from the funds provided by Landowner pursuant to this Agreement. Such payments shall be made in accordance with the District's normal invoice and payment procedures. The District agrees that any funds provided by Landowner pursuant to this Agreement shall be used solely for fees, costs, and expenses arising from or related to the work contemplated by this Agreement.

C. The District agrees to provide to Landowner, on a monthly basis, copies of all invoices, requisitions, or other bills for which payment is to be made from the funds provided by Landowner. The District agrees to provide to Landowner, monthly, a statement from the District Manager showing funds on deposit prior to payment, payments made, and funds remaining on deposit with the District. Landowner agrees to provide funds within fifteen (15) days of receipt of written notification from the District Manager of the need for such funds.

D. In the event that Landowner fails to provide any such funds pursuant to this Agreement, Landowner and the District agree the work may be halted until such time as sufficient funds are provided by Landowner to ensure payment of the costs, fees or expenses which may be incurred in the performance of such work.

2. TERMINATION. Landowner and District agree that Landowner may terminate this Agreement without cause by providing ten (10) days written notice of termination to the District. Any such termination by Landowner is contingent upon Landowner's provision of sufficient funds to cover any and all fees, costs or expenses incurred by the District in connection with the work to be performed under this Agreement as of the date by when notice of termination is received. Landowner and the District agree that the District may terminate this Agreement due to a failure of Landowner to provide funds in accordance with Section 1 of this Agreement, by providing ten (10) days written notice of termination to Landowner; provided, however, that the Landowner shall be provided a reasonable opportunity to cure any such failure.

3. CAPITALIZATION. The parties agree that all funds provided by Landowner pursuant to this Agreement may be reimbursable from proceeds of District financing for capital improvements, and that within forty-five (45) days of receipt of the proceeds by the District of bonds or notes for the District's capital projects, the District shall reimburse Landowner in full, exclusive of interest, for these advances; provided, however, that in the event Bond Counsel determines that any such monies are not properly reimbursable, such funds shall be deemed paid in lieu of taxes or assessments. In the event that District bonds are not issued within five (5) years of the date of this Agreement, all funds provided by Landowner pursuant to this Agreement shall be deemed paid in lieu of taxes or assessments.

4. DEFAULT. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages, injunctive relief and/or specific performance.

5. ENFORCEMENT OF AGREEMENT. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the prevailing party shall be entitled to recover all fees and costs incurred, including reasonable attorney's fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. AGREEMENT. This instrument shall constitute the final and complete expression of this Agreement between the parties relating to the subject matter of this Agreement.

7. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto.

8. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

Any fees payable to the Underwriter will be contingent upon the successful sale and delivery or placement of the Bonds. The underwriting fee for the sale or placement of the Bonds will be 2% of the par amount of Bonds issued.
 3. **Termination:** Both the District and the Underwriter will have the right to terminate this Agreement without cause upon 90 days written notice to the non-terminating party.

EXHIBIT A

Disclosures Concerning the Underwriter's Role

- (i) Municipal Securities Rulemaking Board Rule G-17 requires an underwriter to deal fairly at all times with both municipal issuers and investors;
- (ii) The Underwriter's primary role is to purchase securities with a view to distribution in an arm's-length commercial transaction with the District and it has financial and other interests that differ from those of the District;
- (iii) Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the District under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the District without regard to its own financial or other interests;
- (iv) The Underwriter has a duty to purchase securities from the District at a fair and reasonable price, but must balance that duty with its duty to sell municipal securities to investors at prices that are fair and reasonable; and
- (v) The Underwriter will review the official statement for the District's securities in accordance with, and as part of, its responsibilities to investors under the federal securities laws, as applied to the facts and circumstances of the transaction.

Disclosure Concerning the Underwriter's Compensation

Underwriter's compensation that is contingent on the closing of a transaction or the size of a transaction presents a conflict of interest, because it may cause the Underwriter to recommend a transaction that it is unnecessary or to recommend that the size of the transaction be larger than is necessary.

Conflicts of Interest

Payments to or from Third Parties. There are no undisclosed payments, values, or credits to be received by the Underwriter in connection with its underwriting of this new issue from parties other than the District, and there are no undisclosed payments to be made by the Underwriter in connection with this new issue to parties other than

the District (in either case including payments, values, or credits that relate directly or indirectly to collateral transactions integrally related to the issue being underwritten). In addition, there are no third-party arrangements for the marketing of the District's securities.

Profit-Sharing with Investors. There are no arrangements between the Underwriter and an investor purchasing new issue securities from the Underwriter (including purchases that are contingent upon the delivery by the District to the Underwriter of the securities) according to which profits realized from the resale by such investor of the securities are directly or indirectly split or otherwise shared with the Underwriter.

Credit Default Swaps. There will be no issuance or purchase by the Underwriter of credit default swaps for which the reference is the District for which the Underwriter is serving as underwriter, or an obligation of that District.

Retail Order Periods. For new issues in which there is a retail order period, the Underwriter will honor such agreement to provide the retail order period. No allocation of securities in a manner that is inconsistent with a District's requirements will be made without the District's consent. In addition, when the Underwriter has agreed to underwrite a transaction with a retail order period, it will take reasonable measures to ensure that retail clients are bona fide.

Dealer Payments to District Personnel. Reimbursements, if any, made to personnel of the District will be made in compliance with MSRB Rule G-20, on gifts, gratuities, and non-cash compensation, and Rule G-17, in connection with certain payments made to, and expenses reimbursed for, District personnel during the municipal bond issuance process.

2.

(iv) Review all underwriters' proposals as requested by the District, prepare all closing documents, and attend and be responsible for the closing, as well as attend rating agency meetings if requested by the District and attend drafting and informational meetings regarding the Bonds.

(v) Render opinions in written form at the time the Bonds are to be authenticated and delivered, which opinions shall cover the legality of the Bonds and the exemption of the Bonds from federal income taxation.

(b) Fees and Expenses for Services Rendered as Bond Counsel. The District shall pay to Nabors Giblin, as a fee for services rendered pursuant to this Section 1 such amounts as mutually agreed upon between the parties hereto and commensurate with the work performed. Such fee shall not exceed \$50,000.00 per issue. Such fee shall be paid by the District to Nabors Giblin only from the proceeds derived by the District from the sale of the Bonds and, if the Bonds are not sold, then no fees shall be paid by the District for services rendered pursuant to this Section 1.

The foregoing fee shall include all out-of-pocket expenses incurred by Nabors Giblin in connection with services rendered hereunder, and no other expenses shall be payable by the District in connection with bond counsel services.

2. TERMINATION. This Agreement may be terminated by the District, or by Nabors Giblin, with or without cause, upon fifteen (15) days prior written notice to the other. If the District terminates Nabors Giblin for any reason, then no compensation shall be paid to Nabors Giblin for any services theretofore rendered pursuant to Section 1 of this Agreement.

3. CONSTRUCTION. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Florida.

IN WITNESS WHEREOF, the District and Nabors Giblin have executed this Agreement as of the date set forth above.

RIVERS EDGE III COMMUNITY DEVELOPMENT DISTRICT
FISCAL YEAR 2019/2020 FUNDING AGREEMENT

This agreement (“**Agreement**”) is made and entered into this 15th day of April, 2020, by and between:

Rivers Edge III Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, (“**District**”) and located in St. Johns County, Florida with a mailing address of c/o Governmental Management Services, LLC, 475 West Town Place, Suite 114, St. Augustine, FL 32092, and

Mattamy Jacksonville LLC, a Delaware limited liability company and a landowner in the District (“**Developer**”) with a mailing address of 4901 Vineland Road, Suite 450, Orlando, Florida 32811.

RECITALS

WHEREAS, the District was established by Ordinance No. 2020-7 of the St. Johns County Board of County Commissioners, effective March 5, 2020, for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure; and

WHEREAS, the District, pursuant to Chapter 190, *Florida Statutes*, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District's activities and services; and

WHEREAS, Developer presently owns and/or is developing the majority of all real property described in **Exhibit A**, attached hereto and incorporated herein (“**Property**”), within the District, which Property will benefit from the timely construction and acquisition of the District's facilities, activities and services and from the continued operations of the District; and

WHEREAS, the District is adopting its general fund budget for the fiscal year beginning October 1, 2019 and ending September 30, 2020 (“**Fiscal Year 2019/2020 Budget**”); and

WHEREAS, this Fiscal Year 2019/2020 Budget, which both parties recognize may be amended from time to time in the sole discretion of the District, is attached hereto and incorporated herein by reference as **Exhibit B**; and

WHEREAS, the Fiscal Year 2019/2020 Budget anticipates expenditures for payments to be made by the District under the *Tri-Party Interlocal and Cost-Share Agreement Regarding Shared Improvement Operation and Maintenance Services and Providing for the Joint Use of Amenity Facilities* (“**Interlocal Agreement**”), and also anticipates expenditures for payments to be made by the Developer; and

WHEREAS, the District has the option of levying non-ad valorem assessments on all land, including the Property, that will benefit from the activities, operations and services set forth in the

Fiscal Year 2019/2020 Budget, or utilizing such other revenue sources as may be available to it; and

WHEREAS, in lieu of levying assessments on the Property, the Developer is willing to provide such funds as are necessary to allow the District to proceed with its operations as described in **Exhibit B**, including those payments due under the Interlocal Agreement; and

WHEREAS, the Developer agrees that the activities, operations and services provide a special and peculiar benefit equal to or in excess of the costs reflected on **Exhibit B** to the Property; and

WHEREAS, the Developer has agreed to enter into this Agreement in lieu of having the District levy and collect any non-ad valorem assessments as authorized by law against the Property located within the District for the activities, operations and services set forth in **Exhibit B**.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **FUNDING.** The Developer agrees to make available to the District the monies necessary for the operation of the District as called for in the budget attached hereto as **Exhibit B**, as may be amended from time to time in the District's sole discretion, including payments due under the Interlocal Agreement, within fifteen (15) days of written request by the District. Amendments to the Fiscal Year 2019/2020 Budget as shown on **Exhibit B** adopted by the District at a duly noticed meeting shall have the effect of amending this Agreement without further action of the parties. Funds provided hereunder shall be placed in the District's general checking account. In no way shall the foregoing affect the District's ability to levy special assessments upon the property within the District, including any property owned by the Developer, in accordance with Florida law, to provide funds for any unfunded expenditures whether such expenditures are the result of an amendment to the District's Budget or otherwise. These payments are made by the Developer in lieu of taxes, fees, or assessments which might otherwise be levied or imposed by the District.

2. **CONTINUING LIEN.** District shall have the right to file a continuing lien upon the Property described in **Exhibit A** for all payments due and owing under the terms of this Agreement and for interest thereon, and for reasonable attorneys' fees, paralegals' fees, expenses and court costs incurred by the District incident to the collection of funds under this Agreement or for enforcement this lien, and all sums advanced and paid by the District for taxes and payment on account of superior interests, liens and encumbrances in order to preserve and protect the District's lien. The lien shall be effective as of the date and time of the recording of a "Notice of Lien for Fiscal Year 2019/2020 Budget" in the public records of St. Johns County, Florida ("**County**"), stating among other things, the description of the real property and the amount due as of the recording of the Notice, and the existence of this Agreement. The District Manager, in its sole discretion, is hereby authorized by the District to file the Notice of Lien for Fiscal Year 2019/2020 Budget on behalf of the District, without the need of further Board action authorizing or directing such filing. At the District Manager's direction, the District may also bring an action at law against

the record title holder to the Property to pay the amount due under this Agreement, or may foreclose the lien against the Property in any manner authorized by law. The District may partially release any filed lien for portions of the Property subject to a plat if and when the Developer has demonstrated, in the District's sole discretion, such release will not materially impair the ability of the District to enforce the collection of funds hereunder.

3. **ALTERNATIVE COLLECTION METHODS.** In the event the Developer fails to make payments due to the District pursuant to this Agreement, and the District first provides the Developer with written notice of the delinquency to the address identified in this Agreement and such delinquency is not cured within five (5) business days of the notice, then the District shall have the following remedies:

a. In the alternative or in addition to the collection method set forth in Paragraph 2 above, the District may enforce the collection of funds due under this Agreement by action against the Developer in the appropriate judicial forum in and for the County. The enforcement of the collection of funds in this manner shall be in the sole discretion of the District Manager on behalf of the District. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

b. The District hereby finds that the activities, operations and services set forth in **Exhibit B** provide a special and peculiar benefit to the Property, which benefit is initially allocated on an equal developable acreage basis. The Developer agrees that the activities, operations and services set forth in **Exhibit B** provide a special and peculiar benefit to the Property equal to or in excess of the costs set forth in **Exhibit B**, on an equal developable acreage basis. Therefore, in the alternative or in addition to the other methods of collection set forth in this Agreement, the District, in its sole discretion, may choose to certify amounts due hereunder as a non-ad valorem assessment on all or any part of the Property for collection, either through the Uniform Method of Collection set forth in Chapter 197, *Florida Statutes*, or under any method of direct bill and collection authorized by Florida law. Such assessment, if imposed, may be certified on the next available tax roll of the County property appraiser. The Developer hereby waives and/or relinquishes any rights it may have to challenge, object to or otherwise fail to pay such assessments if imposed, as well as the means of collection thereof.

4. **AGREEMENT; AMENDMENTS.** This instrument shall constitute the final and complete expression of the agreement between the parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto.

5. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

6. **ASSIGNMENT.** This Agreement may be assigned, in whole or in part, by either party only upon the written consent of the other, which consent shall not be unreasonably withheld.

7. **DEFAULT.** A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and specific performance and specifically including the ability of the District to enforce any and all payment obligations under this Agreement in the manner described herein in Paragraphs 2 and 3 above.

8. **THIRD PARTY RIGHTS; TRANSFER OF PROPERTY.** This Agreement is solely for the benefit of the formal parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns. In the event the Developer sells or otherwise disposes of its business or of all or substantially all of its assets relating to improvements, work product, or lands within the District, the Developer shall continue to be bound by the terms of this Agreement and additionally shall expressly require that the purchaser agree to be bound by the terms of this Agreement. In the event of such sale or disposition, the Developer may place into escrow an amount equal to the then unfunded portion of the applicable adopted Budget to fund any budgeted expenses that may arise during the remainder of the applicable fiscal year. Upon confirmation of the deposit of said funds into escrow, and evidence of an assignment to, and assumption by the purchaser, of this Agreement, the Developer's obligation under this Agreement shall be deemed fulfilled and this Agreement terminated. The Developer shall give 90 days prior written notice to the District under this Agreement of any such sale or disposition.

9. **FLORIDA LAW GOVERNS.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Venue shall be in St. Johns County, Florida.

10. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the parties as an arm's length transaction. The parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are each deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

11. **PUBLIC RECORDS.** Developer understands and agrees that all documents of any kind provided to the District or to District staff in connection with this Agreement, or the work contemplated herein, may be public records and shall be treated as such in accordance with Florida law.

12. **LIMITATION OF LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute or law, and nothing in this Agreement shall inure to the benefit of any third-party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

13. **EFFECTIVE DATE.** The Agreement shall be effective after execution by both parties hereto. The enforcement provisions of this Agreement shall survive its termination, until all payments due under this Agreement are paid in full.

member is prohibited from voting on the matter at issue. In the event that the Board member intends to abstain or is prohibited from voting, such Board member shall not participate in the discussion on the item subject to the vote.

The Board's Secretary shall prepare a Memorandum of Voting Conflict (Form 8B) which shall then be signed by the Board member, filed with the Board's Secretary, and provided for attachment to the minutes of the meeting within fifteen (15) days of the meeting.

- (b) If a Board member inadvertently votes on a matter and later learns he or she has a conflict on the matter, the member shall immediately notify the Board's Secretary. Within fifteen (15) days of the notification, the member shall file the appropriate Memorandum of Voting Conflict, which will be attached to the minutes of the Board meeting during which the vote on the matter occurred. The Memorandum of Voting Conflict shall immediately be provided to other Board members and shall be read publicly at the next meeting held subsequent to the filing of the Memorandum of Voting Conflict. The Board member's vote is unaffected by this filing.
- (c) It is not a conflict of interest for a Board member, the District Manager, or an employee of the District to be a stockholder, officer or employee of a landowner or of an entity affiliated with a landowner.
- (d) In the event that a Board member elected at a landowner's election or appointed to fill a vacancy of a seat last filled at a landowner's election, has a continuing conflict of interest, such Board member is permitted to file a Memorandum of Voting Conflict at any time in which it shall state the nature of the continuing conflict. Only one such continuing Memorandum of Voting Conflict shall be required to be filed for each term the Board member is in office.

Rule 1.2 District Offices; Public Information and Inspection of Records; Policies; Service Contract Requirements; Financial Disclosure Coordination.

- (1) District Offices. Unless otherwise designated by the Board, the official District office shall be the District Manager's office identified by the District Manager. If the District Manager's office is not located within the county in which the District is located, the Board shall designate a local records office within such county which shall at a minimum contain, but not be limited to, the following documents:
- (a) Agenda packages for prior 24 months and next meeting;
 - (b) Official minutes of meetings, including adopted resolutions of the Board;
 - (c) Names and addresses of current Board members and District Manager, unless such addresses are protected from disclosure by law;
 - (d) Adopted engineer's reports;
 - (e) Adopted assessment methodologies/reports;
 - (f) Adopted disclosure of public financing;
 - (g) Limited Offering Memorandum for each financing undertaken by the District;
 - (h) Proceedings, certificates, bonds given by all employees, and any and all corporate acts;
 - (i) District policies and rules;
 - (j) Fiscal year end audits; and
 - (k) Adopted budget for the current fiscal year.

The District Manager shall ensure that each District records office contains the documents required by Florida law.

- (2) Public Records. District public records include all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received in connection with the transaction of official business of the District. All District public records not otherwise restricted by law may be copied or inspected at the District Manager's office during regular business hours. Certain District records can also be inspected and copied at the District's local records office during regular business hours. All written public records requests shall be directed to the Secretary who by these rules is appointed as the

District's records custodian. Regardless of the form of the request, any Board member or staff member who receives a public records request shall immediately forward or communicate such request to the Secretary for coordination of a prompt response. The Secretary, after consulting with District Counsel as to the applicability of any exceptions under the public records laws, shall be responsible for responding to the public records request. At no time can the District be required to create records or summaries of records, or prepare opinions regarding District policies, in response to a public records request.

- (3) Service Contracts. Any contract for services, regardless of cost, shall include provisions required by law that require the contractor to comply with public records laws. The District Manager shall be responsible for initially enforcing all contract provisions related to a contractor's duty to comply with public records laws.
- (4) Fees; Copies. Copies of public records shall be made available to the requesting person at a charge of \$0.15 per page for one-sided copies and \$0.20 per page for two-sided copies if not more than 8 ½ by 14 inches. For copies of public records in excess of the sizes listed in this section and for outside duplication services, the charge shall be equal to the actual cost of reproduction. Certified copies of public records shall be made available at a charge of one dollar (\$1.00) per page. If the nature or volume of records requested requires extensive use of information technology resources or extensive clerical or supervisory assistance, the District may charge, in addition to the duplication charge, a special service charge that is based on the cost the District incurs to produce the records requested. This charge may include, but is not limited to, the cost of information technology resource, employee labor, and fees charged to the District by consultants employed in fulfilling the request. In cases where the special service charge is based in whole or in part on the costs incurred by the District due to employee labor, consultant fees, or other forms of labor, those portions of the charge shall be calculated based on the lowest labor cost of the individual(s) who is/are qualified to perform the labor, taking into account the nature or volume of the public records to be inspected or copied. The charge may include the labor costs of supervisory and/or clerical staff whose assistance is required to complete the records request, in accordance with Florida law. For purposes of this Rule, the word "extensive" shall mean that it will take more than 15 minutes to locate, review for confidential information, copy and re-file the requested material. In cases where extensive personnel time is determined by the District to be necessary to safeguard original records being inspected, the special service charge provided for in this section shall apply. If the total fees, including but not limited to special service charges, are anticipated to exceed twenty-five dollars (\$25.00), then, prior to commencing work on the request, the District will inform the person making the public records request of the estimated cost, with the understanding that the final cost may vary from that estimate. If the person making the public records request decides to proceed with the request, payment of the estimated cost is required in advance. Should the person fail to pay the estimate, the District is under no duty to produce the requested records. After the request has been fulfilled, additional payments or credits may be

due. The District is under no duty to produce records in response to future records requests if the person making the request owes the District for past unpaid duplication charges, special service charges, or other required payments or credits.

- (5) Records Retention. The Secretary of the District shall be responsible for retaining the District's records in accordance with applicable Florida law.
- (6) Policies. The Board may adopt policies related to the conduct of its business and the provision of services either by resolution or motion.
- (7) Financial Disclosure Coordination. Unless specifically designated by Board resolution otherwise, the Secretary shall serve as the Financial Disclosure Coordinator ("Coordinator") for the District as required by the Florida Commission on Ethics ("Commission"). The Coordinator shall create, maintain and update a list of the names, e-mail addresses, physical addresses, and names of the agency of, and the office or position held by, all Supervisors and other persons required by Florida law to file a statement of financial interest due to his or her affiliation with the District ("Reporting Individual"). The Coordinator shall provide this list to the Commission by February 1 of each year, which list shall be current as of December 31 of the prior year. Each Supervisor and Reporting Individual shall promptly notify the Coordinator in writing if there are any changes to such person's name, e-mail address, or physical address. Each Supervisor and Reporting Individual shall promptly notify the Commission in the manner prescribed by the Commission if there are any changes to such person's e-mail address.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 112.31446(3), 112.3145(8)(a)1., 119.07, 119.0701, 190.006, Fla. Stat.

Rule 1.3 Public Meetings, Hearings, and Workshops.

- (1) Notice. Except in emergencies, or as otherwise required by statute or these Rules, at least seven (7) days, but no more than thirty (30) days public notice shall be given of any public meeting, hearing or workshop of the Board. Public notice shall be given by publication in a newspaper of general circulation in the District and in the county in which the District is located. "General circulation" means a publication that is printed and published at least once a week for the preceding year, offering at least 25% of its words in the English language, qualifies as a periodicals material for postal purposes in the county in which the District is located, is for sale to the public generally, is available to the public generally for the publication of official or other notices, and is customarily containing information of a public character or of interest or of value to the residents or owners of property in the county where published, or of interest or of value to the general public. The annual meeting notice required to be published by Section 189.015 of the Florida Statutes, shall be published in a newspaper not of limited subject matter, which is published at least five days a week, unless the only newspaper in the county is published less than five days a week. Each Notice shall state, as applicable:
 - (a) The date, time and place of the meeting, hearing or workshop;
 - (b) A brief description of the nature, subjects, and purposes of the meeting, hearing, or workshop;
 - (c) The District office address for the submission of requests for copies of the agenda, as well as a contact name and telephone number for verbal requests for copies of the agenda; and
 - (d) The following or substantially similar language: "Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting/hearing/workshop is asked to advise the District Office at least forty-eight (48) hours before the meeting/hearing/workshop by contacting the District Manager at (904) 940-5850. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770 or 1 (800) 955-8771, who can aid you in contacting the District Office."
 - (e) The following or substantially similar language: "A person who decides to appeal any decision made at the meeting/hearing/workshop with respect to any matter considered at the meeting/hearing/workshop is advised that person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made including the testimony and evidence upon which the appeal is to be based."

- (f) The following or substantially similar language: “The meeting [or hearing or workshop] may be continued in progress without additional notice to a time, date, and location stated on the record.”
- (2) Mistake. In the event that a meeting is held under the incorrect assumption that notice required by law and these Rules has been given, the Board at its next properly noticed meeting shall cure such defect by considering the agenda items from the prior meeting individually and anew.
- (3) Agenda. The District Manager, under the guidance of District Counsel and the Chairperson or Vice-Chairperson, shall prepare an agenda of the meeting/hearing/workshop. The agenda and any meeting materials available in an electronic format, excluding any confidential and any confidential and exempt information, shall be available to the public at least seven days before the meeting/hearing/workshop, except in an emergency. Meeting materials shall be defined as, and limited to, the agenda, meeting minutes, resolutions, and agreements of the District that District staff deems necessary for Board approval. Inclusion of additional materials for Board consideration other than those defined herein as “meeting materials” shall not convert such materials into “meeting materials.” For good cause, the agenda may be changed after it is first made available for distribution, and additional materials may be added or provided under separate cover at the meeting. The requirement of good cause shall be liberally construed to allow the District to efficiently conduct business and to avoid the expenses associated with special meetings.

The District may, but is not required to, use the following format in preparing its agenda for its regular meetings:

- Call to order
- Roll call
- Public comment
- Organizational matters
- Review of minutes
- Specific items of old business
- Specific items of new business
- Staff reports
 - (a) District Counsel
 - (b) District Engineer
 - (c) District Manager
 - 1. Financial Report
 - 2. Approval of Expenditures
- Supervisor’s requests and comments
- Public comment
- Adjournment

- (4) Minutes. The Secretary shall be responsible for preparing and keeping the minutes of each meeting of the Board. Minutes shall be corrected and approved by the Board at a subsequent meeting. The Secretary may work with other staff members in preparing draft minutes for the Board's consideration.
- (5) Special Requests. Persons wishing to receive, by mail, notices or agendas of meetings, may so advise the District Manager or Secretary at the District Office. Such persons shall furnish a mailing address in writing and shall be required to pre-pay the cost of the copying and postage.
- (6) Emergency Meetings. The Chairperson, or Vice-Chairperson if the Chairperson is unavailable, upon consultation with the District Manager and District Counsel, if available, may convene an emergency meeting of the Board without first having complied with sections (1) and (3) of this Rule, to act on emergency matters that may affect the public health, safety, or welfare. Whenever possible, the District Manager shall make reasonable efforts to provide public notice and notify all Board members of an emergency meeting twenty-four (24) hours in advance. Reasonable efforts may include telephone notification. Notice of the emergency meeting must be provided both before and after the meeting on the District's website, if it has one. Whenever an emergency meeting is called, the District Manager shall be responsible for notifying at least one newspaper of general circulation in the District. After an emergency meeting, the Board shall publish in a newspaper of general circulation in the District, the time, date and place of the emergency meeting, the reasons why an emergency meeting was necessary, and a description of the action taken. Actions taken at an emergency meeting may be ratified by the Board at a regularly noticed meeting subsequently held.
- (7) Public Comment. The Board shall set aside a reasonable amount of time at each meeting for public comment and members of the public shall be permitted to provide comment on any proposition before the Board. The portion of the meeting generally reserved for public comment shall be identified in the agenda. Policies governing public comment may be adopted by the Board in accordance with Florida law.
- (8) Budget Hearing. Notice of hearing on the annual budget(s) shall be in accord with Section 190.008 of the Florida Statutes. Once adopted in accord with Section 190.008 of the Florida Statutes, the annual budget(s) may be amended from time to time by action of the Board. Approval of invoices by the Board in excess of the funds allocated to a particular budgeted line item shall serve to amend the budgeted line item.
- (9) Public Hearings. Notice of required public hearings shall contain the information required by applicable Florida law and by these Rules applicable to meeting notices and shall be mailed and published as required by Florida law. The District Manager shall ensure that all such notices, whether mailed or published, contain the information required by Florida law and these Rules and are mailed and published

as required by Florida law. Public hearings may be held during Board meetings when the agenda includes such public hearing.

- (10) Participation by Teleconference/Videoconference. District staff may participate in Board meetings by teleconference or videoconference. Board members may also participate in Board meetings by teleconference or videoconference if in the good judgment of the Board extraordinary circumstances exist; provided however, at least three Board members must be physically present at the meeting location to establish a quorum. Such extraordinary circumstances shall be presumed when a Board member participates by teleconference or videoconference, unless a majority of the Board members physically present determines that extraordinary circumstances do not exist.
- (11) Board Authorization. The District has not adopted Robert's Rules of Order. For each agenda item, there shall be discussion permitted among the Board members during the meeting. Unless such procedure is waived by the Board, approval or disapproval of resolutions and other proposed Board actions shall be in the form of a motion by one Board member, a second by another Board member, and an affirmative vote by the majority of the Board members present. Any Board member, including the Chairperson, can make or second a motion.
- (12) Continuances. Any meeting or public hearing of the Board may be continued without re-notice or re-advertising provided that:
 - (a) The Board identifies on the record at the original meeting a reasonable need for a continuance;
 - (b) The continuance is to a specified date, time, and location publicly announced at the original meeting; and
 - (c) The public notice for the original meeting states that the meeting may be continued to a date and time and states that the date, time, and location of any continuance shall be publicly announced at the original meeting and posted at the District Office immediately following the original meeting.
- (13) Attorney-Client Sessions. An Attorney-Client Session is permitted when the District's attorneys deem it necessary to meet in private with the Board to discuss pending litigation to which the District is a party before a court or administrative agency or as may be authorized by law. The District's attorney must request such session at a public meeting. Prior to holding the Attorney-Client Session, the District must give reasonable public notice of the time and date of the session and the names of the persons anticipated to attend the session. The session must commence at an open meeting in which the Chairperson or Vice-Chairperson announces the commencement of the session, the estimated length of the session, and the names of the persons who will be attending the session. The discussion during the session is confined to settlement negotiations or strategy related to

litigation expenses or as may be authorized by law. Only the Board, the District's attorneys (including outside counsel), the District Manager, and the court reporter may attend an Attorney-Client Session. During the session, no votes may be taken and no final decisions concerning settlement can be made. Upon the conclusion of the session, the public meeting is reopened, and the Chairperson or Vice-Chairperson must announce that the session has concluded. The session must be transcribed by a court-reporter and the transcript of the session filed with the District Secretary within a reasonable time after the session. The transcript shall not be available for public inspection until after the conclusion of the litigation.

- (14) Security and Firesafety Board Discussions. Portions of a meeting which relate to or would reveal a security or firesafety system plan or portion thereof made confidential and exempt by section 119.071(3)(a), Florida Statutes, are exempt from the public meeting requirements and other requirements of section 286.011, Florida Statutes, and section 24(b), Article 1 of the State Constitution. Should the Board wish to discuss such matters, members of the public shall be required to leave the meeting room during such discussion. Any records of the Board's discussion of such matters, including recordings or minutes, shall be maintained as confidential and exempt records in accordance with Florida law.

 - (b) Promote and encourage compliance with applicable laws, rules contracts, grant agreements, and best practices; and
 - (c) Support economical and efficient operations; and

 - (e) Safeguard assets.
- (2) Adoption. The internal controls to prevent fraud, waste and abuse shall be adopted and amended by the District in the same manner as District policies.

Law Implemented: § 218.33(3), Fla. Stat.

Rule 2.0 Rulemaking Proceedings.

- (1) Commencement of Proceedings. Proceedings held for adoption, amendment, or repeal of a District rule shall be conducted according to these Rules. Rulemaking proceedings shall be deemed to have been initiated upon publication of notice by the District. A “rule” is a District statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedure or practice requirements of the District (“Rule”). Nothing herein shall be construed as requiring the District to consider or adopt rules unless required by Chapter 190 of the Florida Statutes. Policies adopted by the District which do not consist of rates, fees, rentals or other monetary charges may be, but are not required to be, implemented through rulemaking proceedings.
- (2) Notice of Rule Development.
 - (a) Except when the intended action is the repeal of a Rule, the District shall provide notice of the development of a proposed rule by publication of a Notice of Rule Development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by section (3) of this Rule. Consequently, the Notice of Rule Development shall be published at least twenty-nine (29) days prior to the public hearing on the proposed Rule. The Notice of Rule Development shall indicate the subject area to be addressed by rule development, provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and include a statement of how a person may promptly obtain, without cost, a copy of any preliminary draft, if available.
 - (b) All rules as drafted shall be consistent with Sections 120.54(1)(g) and 120.54(2)(b) of the Florida Statutes.
- (3) Notice of Proceedings and Proposed Rules.
 - (a) Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, the District shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action, a reference to the specific rulemaking authority pursuant to which the rule is adopted, and a reference to the section or subsection of the Florida Statutes being implemented, interpreted, or made specific. The notice shall include a summary of the District’s statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in Section 120.541(2) of the Florida Statutes, and a statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), must do so in writing within twenty-one (21) days after publication of the notice. The notice shall additionally include a statement that any affected person may request a public hearing by submitting a written request within twenty-one (21) days after the date

of publication of the notice. Except when intended action is the repeal of a rule, the notice shall include a reference to both the date on which and the place where the Notice of Rule Development required by section (2) of this Rule appeared.

- (b) The notice shall be published in a newspaper of general circulation in the District and each county in which the District is located not less than twenty-eight (28) days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.
 - (c) The notice shall be mailed to all persons named in the proposed rule and to all persons who, at least fourteen (14) days prior to such mailing, have made requests of the District for advance notice of its rulemaking proceedings. Any person may file a written request with the District Manager to receive notice by mail of District proceedings to adopt, amend, or repeal a rule. Such persons must furnish a mailing address and may be required to pay the cost of copying and mailing.
- (4) Rule Development Workshops. Whenever requested in writing by any affected person, the District must either conduct a rule development workshop prior to proposing rules for adoption or the Chairperson must explain in writing why a workshop is unnecessary. The District may initiate a rule development workshop but is not required to do so.
- (5) Petitions to Initiate Rulemaking. All Petitions to Initiate Rulemaking proceedings must contain the name, address, and telephone number of the petitioner, the specific action requested, the specific reason for adoption, amendment, or repeal, the date submitted, the text of the proposed rule, and the facts showing that the petitioner is regulated by the District or has a substantial interest in the rulemaking. Not later than sixty (60) calendar days following the date of filing a petition, the Board shall initiate rulemaking proceedings or deny the petition with a written statement of its reasons for the denial. If the petition is directed to an existing policy that the District has not formally adopted as a rule, the District may, in its discretion, notice and hold a public hearing on the petition to consider the comments of the public directed to the policy, its scope and application, and to consider whether the public interest is served adequately by the application of the policy on a case-by-case basis, as contrasted with its formal adoption as a rule. However, this section shall not be construed as requiring the District to adopt a rule to replace a policy.
- (6) Rulemaking Materials. After the publication of the notice referenced in section (3) of this Rule, the Board shall make available for public inspection and shall provide, upon request and payment of the cost of copies, the following materials:
 - (a) The text of the proposed rule, or any amendment or repeal of any existing rules;

- (b) A detailed written statement of the facts and circumstances justifying the proposed rule;
 - (c) A copy of the statement of estimated regulatory costs if required by Section 120.541 of the Florida Statutes; and
 - (d) The published notice.
- (7) Hearing. The District may, or, upon the written request of any affected person received within twenty-one (21) days after the date of publication of the notice described in section (3) of this Rule, shall, provide a public hearing for the presentation of evidence, argument, and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay, or disruption of the proceedings. The District shall publish notice of the public hearing in a newspaper of general circulation within the District either in the text of the notice described in section (3) of this Rule or in a separate publication at least seven (7) days before the scheduled public hearing. The notice shall specify the date, time, and location of the public hearing, and the name, address, and telephone number of the District contact person who can provide information about the public hearing. Written statements may be submitted by any person prior to or at the public hearing. All timely submitted written statements shall be considered by the District and made part of the rulemaking record.
- (8) Emergency Rule Adoption. The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action. Prior to the adoption of an emergency rule, the District Manager shall make reasonable efforts to notify a newspaper of general circulation in the District. Notice of emergency rules shall be published as soon as possible in a newspaper of general circulation in the District. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District and otherwise complies with these provisions.
- (9) Negotiated Rulemaking. The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54(2)(d) of the Florida Statutes, except that any notices required under Section 120.54(2)(d) of the Florida Statutes, may be published in a newspaper of general circulation in the county in which the District is located.
- (10) Rulemaking Record. In all rulemaking proceedings, the District shall compile and maintain a rulemaking record. The record shall include, if applicable:
 - (a) The texts of the proposed rule and the adopted rule;
 - (b) All notices given for a proposed rule;

- (c) Any statement of estimated regulatory costs for the rule;
- (d) A written summary of hearings, if any, on the proposed rule;
- (e) All written comments received by the District and responses to those written comments; and
- (f) All notices and findings pertaining to an emergency rule.

(11) Petitions to Challenge Existing Rules.

- (a) Any person substantially affected by a rule may seek an administrative determination of the invalidity of the rule on the ground that the rule is an invalid exercise of the District's authority.
- (b) The petition seeking an administrative determination must state with particularity the provisions alleged to be invalid with sufficient explanation of the facts or grounds for the alleged invalidity and facts sufficient to show that the person challenging a rule is substantially affected by it.
- (c) The petition shall be filed with the District. Within 10 days after receiving the petition, the Chairperson shall, if the petition complies with the requirements of subsection (b) of this section, designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer who shall conduct a hearing within 30 days thereafter, unless the petition is withdrawn or a continuance is granted by agreement of the parties. The failure of the District to follow the applicable rulemaking procedures or requirements in this Rule shall be presumed to be material; however, the District may rebut this presumption by showing that the substantial interests of the petitioner and the fairness of the proceedings have not been impaired.
- (d) Within 30 days after the hearing, the hearing officer shall render a decision and state the reasons therefor in writing.
- (e) Hearings held under this section shall be de novo in nature. The petitioner has a burden of proving by a preponderance of the evidence that the existing rule is an invalid exercise of District authority as to the objections raised. The hearing officer may:
 - (i) Administer oaths and affirmations;
 - (ii) Rule upon offers of proof and receive relevant evidence;

- (iii) Regulate the course of the hearing, including any pre-hearing matters;
 - (iv) Enter orders; and
 - (v) Make or receive offers of settlement, stipulation, and adjustment.
 - (f) The petitioner and the District shall be adverse parties. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.
- (12) Variances and Waivers. A “variance” means a decision by the District to grant a modification to all or part of the literal requirements of a rule to a person who is subject to the rule. A “waiver” means a decision by the District not to apply all or part of a rule to a person who is subject to the rule. Variances and waivers from District rules may be granted subject to the following:
- (a) Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person, and when application of the rule would create a substantial hardship or would violate principles of fairness. For purposes of this section, "substantial hardship" means a demonstrated economic, technological, legal, or other type of hardship to the person requesting the variance or waiver. For purposes of this section, "principles of fairness" are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.
 - (b) A person who is subject to regulation by a District Rule may file a petition with the District, requesting a variance or waiver from the District’s Rule. Each petition shall specify:
 - (i) The rule from which a variance or waiver is requested;
 - (ii) The type of action requested;
 - (iii) The specific facts that would justify a waiver or variance for the petitioner; and
 - (iv) The reason why the variance or the waiver requested would serve the purposes of the underlying statute.
 - (c) The District shall review the petition and may request only that information needed to clarify the petition or to answer new questions raised by or directly related to the petition. If the petitioner asserts that any request for additional information is not authorized by law or by Rule of the District,

the District shall proceed, at the petitioner's written request, to process the petition.

- (d) The Board shall grant or deny a petition for variance or waiver and shall announce such disposition at a publicly held meeting of the Board, within ninety (90) days after receipt of the original petition, the last item of timely requested additional material, or the petitioner's written request to finish processing the petition. The District's statement granting or denying the petition shall contain a statement of the relevant facts and reasons supporting the District's action.
- (13) Rates, Fees, Rentals and Other Charges. All rates, fees, rentals, or other charges shall be subject to rulemaking proceedings. Policies adopted by the District which do not consist of rates, fees, rentals or other charges may be, but are not required to be, implemented through rulemaking proceedings.

Specific Authority: §§ 190.011(5), 190.011(15), 190.035, Fla. Stat.

Law Implemented: §§ 190.011(5), 190.035(2), Fla. Stat.

Rule 3.0 Competitive Purchase.

- (1) Purpose and Scope. In order to comply with Sections 190.033(1) through (3), 287.055 and 287.017 of the Florida Statutes, the following provisions shall apply to the purchase of Professional Services, insurance, construction contracts, design-build services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Board Authorization. Except in cases of an Emergency Purchase, a competitive purchase governed by these Rules shall only be undertaken after authorization by the Board.
- (3) Definitions.
 - (a) “Competitive Solicitation” means a formal, advertised procurement process, other than an Invitation to Bid, Request for Proposals, or Invitation to Negotiate, approved by the Board to purchase commodities and/or services which affords vendors fair treatment in the competition for award of a District purchase contract.
 - (b) “Continuing Contract” means a contract for Professional Services entered into in accordance with Section 287.055 of the Florida Statutes, between the District and a firm, whereby the firm provides Professional Services to the District for projects in which the costs do not exceed two million dollars (\$2,000,000), for a study activity when the fee for such Professional Services to the District does not exceed two hundred thousand dollars (\$200,000), or for work of a specified nature as outlined in the contract with the District, with no time limitation except that the contract must provide a termination clause (for example, a contract for general District engineering services). Firms providing Professional Services under Continuing Contracts shall not be required to bid against one another.
 - (c) “Contractual Service” means the rendering by a contractor of its time and effort rather than the furnishing of specific commodities. The term applies only to those services rendered by individuals and firms who are independent contractors. Contractual Services do not include auditing services, Maintenance Services, or Professional Services as defined in Section 287.055(2)(a) of the Florida Statutes, and these Rules. Contractual Services also do not include any contract for the furnishing of labor or materials for the construction, renovation, repair, modification, or demolition of any facility, building, portion of building, utility, park, parking lot, or structure or other improvement to real property entered into pursuant to Chapter 255 of the Florida Statutes, and Rules 3.5 or 3.6.

- (f) “Design Criteria Package” means concise, performance-oriented drawings or specifications for a public construction project. The purpose of the Design Criteria Package is to furnish sufficient information to permit Design-Build Firms to prepare a bid or a response to the District’s Request for Proposals, or to permit the District to enter into a negotiated Design-Build Contract. The Design Criteria Package must specify performance-based criteria for the public construction project, including the legal description of the site, survey information concerning the site, interior space requirements, material quality standards, schematic layouts and conceptual design criteria of the project, cost or budget estimates, design and construction schedules, site development requirements, provisions for utilities, stormwater retention and disposal, and parking requirements applicable to the project. Design Criteria Packages shall require firms to submit information regarding the qualifications, availability, and past work of the firms, including the partners and members thereof.
- (g) “Design Criteria Professional” means a firm who holds a current certificate of registration under Chapter 481 of the Florida Statutes, to practice architecture or landscape architecture, or a firm who holds a current certificate as a registered engineer under Chapter 471 of the Florida Statutes, to practice engineering, and who is employed by or under contract to the District to provide professional architect services, landscape architect services, or engineering services in connection with the preparation of the Design Criteria Package.
- (h) “Emergency Purchase” means a purchase necessitated by a sudden unexpected turn of events (for example, acts of God, riot, fires, floods, hurricanes, accidents, or any circumstances or cause beyond the control of the Board in the normal conduct of its business), where the Board finds that the delay incident to competitive purchase would be detrimental to the interests of the District. This includes, but is not limited to, instances where

the time to competitively award the project will jeopardize the funding for the project, will materially increase the cost of the project, or will create an undue hardship on the public health, safety, or welfare.

- (i) “Invitation to Bid” is a written solicitation for sealed bids with the title, date, and hour of the public bid opening designated specifically and defining the commodity or service involved. It includes printed instructions prescribing conditions for bidding, qualification, evaluation criteria, and provides for a manual signature of an authorized representative. - (m) “Proposal (or Reply or Response) Most Advantageous to the District” means, as determined in the sole discretion of the Board, the proposal, reply, or response that is:

 - (iii) For a cost to the District deemed by the Board to be reasonable.
- (n) “Purchase” means acquisition by sale, rent, lease, lease/purchase, or installment sale. - (o) “Request for Proposals” or “RFP” is a written solicitation for sealed proposals with the title, date, and hour of the public opening designated and

requiring the manual signature of an authorized representative. It may provide general information, applicable laws and rules, statement of work, functional or general specifications, qualifications, proposal instructions, work detail analysis, and evaluation criteria as necessary.

- (p) “Responsive and Responsible Bidder” means an entity or individual that has submitted a bid that conforms in all material respects to the Invitation to Bid and has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance. “Responsive and Responsible Vendor” means an entity or individual that has submitted a proposal, reply, or response that conforms in all material respects to the Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance. In determining whether an entity or individual is a Responsive and Responsible Bidder (or Vendor), the District may consider, in addition to factors described in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the following:
 - (i) The ability and adequacy of the professional personnel employed by the entity/individual;
 - (ii) The past performance of the entity/individual for the District and in other professional employment;
 - (iii) The willingness of the entity/individual to meet time and budget requirements;
 - (iv) The geographic location of the entity’s/individual’s headquarters or office in relation to the project;
 - (v) The recent, current, and projected workloads of the entity/individual;
 - (vi) The volume of work previously awarded to the entity/individual;
 - (vii) Whether the cost components of the bid or proposal are appropriately balanced; and
 - (viii) Whether the entity/individual is a certified minority business enterprise.
- (q) “Responsive Bid,” “Responsive Proposal,” “Responsive Reply,” and “Responsive Response” all mean a bid, proposal, reply, or response which conforms in all material respects to the specifications and conditions in the

Invitation to Bid, Request for Proposals, Invitations to Negotiate, or Competitive Solicitation document and these Rules, and the cost components of which, if any, are appropriately balanced. A bid, proposal, reply or response is not responsive if the person or firm submitting it fails to meet any material requirement relating to the qualifications, financial stability, or licensing of the bidder.

Rule 3.1 Procedure Under the Consultants' Competitive Negotiations Act.

- (1) Scope. The following procedures are adopted for the selection of firms or individuals to provide Professional Services exceeding the thresholds herein described, for the negotiation of such contracts, and to provide for protest of actions of the Board under this Rule. As used in this Rule, "Project" means that fixed capital outlay study or planning activity when basic construction cost is estimated by the District to exceed the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FIVE, or for a planning study activity when the fee for Professional Services is estimated by the District to exceed the threshold amount provided in Section 287.017 for CATEGORY TWO, as such categories may be amended or adjusted from time to time.
- (2) Qualifying Procedures. In order to be eligible to provide Professional Services to the District, a consultant must, at the time of receipt of the firm's qualification submittal:
 - (a) Hold all required applicable state professional licenses in good standing;
 - (b) Hold all required applicable federal licenses in good standing, if any;
 - (c) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the consultant is a corporation; and
 - (d) Meet any qualification requirements set forth in the District's Request for Qualifications.

Evidence of compliance with this Rule may be submitted with the qualifications, if requested by the District. In addition, evidence of compliance must be submitted any time requested by the District.

- (3) Public Announcement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when Professional Services are required for a Project or a Continuing Contract by publishing a notice providing a general description of the Project, or the nature of the Continuing Contract, and the method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation in the District and in such other places as the District deems appropriate. The notice must allow at least fourteen (14) days for submittal of qualifications from the date of publication. The District may maintain lists of consultants interested in receiving such notices. These consultants are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such consultants, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has the right to reject any and all

qualifications, and such reservation shall be included in the published notice. Consultants not receiving a contract award shall not be entitled to recover from the District any costs of qualification package preparation or submittal.

(4) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described in section (3) of this Rule regarding qualifications and performance ability, as well as any statements of qualifications on file. The Board shall conduct discussions with, and may require public presentation by consultants regarding their qualifications, approach to the Project, and ability to furnish the required services. The Board shall then select and list the consultants, in order of preference, deemed to be the most highly capable and qualified to perform the required Professional Services, after considering these and other appropriate criteria:
 - (i) The ability and adequacy of the professional personnel employed by each consultant;
 - (ii) Whether a consultant is a certified minority business enterprise;
 - (iii) Each consultant's past performance;
 - (iv) The willingness of each consultant to meet time and budget requirements;
 - (v) The geographic location of each consultant's headquarters, office and personnel in relation to the project;
 - (vi) The recent, current, and projected workloads of each consultant; and
 - (vii) The volume of work previously awarded to each consultant by the District.
- (b) Nothing in these Rules shall prevent the District from evaluating and eventually selecting a consultant if less than three (3) Responsive qualification packages, including packages indicating a desire not to provide Professional Services on a given Project, are received.
- (c) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.
- (d) Notice of the rankings adopted by the Board, including the rejection of some or all qualification packages, shall be provided in writing to all consultants

by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's ranking decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(5) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required Professional Services at a rate or amount of compensation which the Board determines is fair, competitive, and reasonable.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are accurate, complete and current at the time of contracting." In addition, any professional service contract under which such a certificate is required, shall contain a provision that "the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs."
- (c) Should the District be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
- (d) Should the District be unable to negotiate a satisfactory agreement with one of the top three (3) ranked consultants, additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

(6) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.

- (7) Continuing Contract. Nothing in this Rule shall prohibit a Continuing Contract between a consultant and the District.
- (8) Emergency Purchase. The District may make an Emergency Purchase without complying with these Rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Rule 3.2 Procedure Regarding Auditor Selection.

In order to comply with the requirements of Section 218.391 of the Florida Statutes, the following procedures are outlined for selection of firms or individuals to provide Auditing Services and for the negotiation of such contracts. For audits required under Chapter 190 of the Florida Statutes but not meeting the thresholds of Chapter 218 of the Florida Statutes, the District need not follow these procedures but may proceed with the selection of a firm or individual to provide Auditing Services and for the negotiation of such contracts in the manner the Board determines is in the best interests of the District.

(1) Definitions.

- (a) "Auditing Services" means those services within the scope of the practice of a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.
- (b) "Committee" means the auditor selection committee appointed by the Board as described in section (2) of this Rule.

(2) Establishment of Auditor Selection Committee. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Board shall establish an auditor selection committee ("Committee"), the primary purpose of which is to assist the Board in selecting an auditor to conduct the annual financial audit required by Section 218.39 of the Florida Statutes. The Committee shall include at least three individuals, at least one of which must also be a member of the Board. The establishment and selection of the Committee must be conducted at a publicly noticed and held meeting of the Board. The Chairperson of the Committee must be a member of the Board. An employee, a chief executive officer, or a chief financial officer of the District may not serve as a member of the Committee; provided however such individual may serve the Committee in an advisory capacity.

(3) Establishment of Minimum Qualifications and Evaluation Criteria. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Committee shall meet at a publicly noticed meeting to establish minimum qualifications and factors to use for the evaluation of Auditing Services to be provided by a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.

- (a) Minimum Qualifications. In order to be eligible to submit a proposal, a firm must, at all relevant times including the time of receipt of the proposal by the District:

- (i) Hold all required applicable state professional licenses in good standing;
- (ii) Hold all required applicable federal licenses in good standing, if any;
- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation; and
- (iv) Meet any pre-qualification requirements established by the Committee and set forth in the RFP or other specifications.

If requested in the RFP or other specifications, evidence of compliance with the minimum qualifications as established by the Committee must be submitted with the proposal.

- (b) Evaluation Criteria. The factors established for the evaluation of Auditing Services by the Committee shall include, but are not limited to:
 - (i) Ability of personnel;
 - (ii) Experience;
 - (iii) Ability to furnish the required services; and
 - (iv) Such other factors as may be determined by the Committee to be applicable to its particular requirements.

The Committee may also choose to consider compensation as a factor. If the Committee establishes compensation as one of the factors, compensation shall not be the sole or predominant factor used to evaluate proposals.

- (4) Public Announcement. After identifying the factors to be used in evaluating the proposals for Auditing Services as set forth in section (3) of this Rule, the Committee shall publicly announce the opportunity to provide Auditing Services. Such public announcement shall include a brief description of the audit and how interested firms can apply for consideration and obtain the RFP. The notice shall appear in at least one (1) newspaper of general circulation in the District and the county in which the District is located. The public announcement shall allow for at least seven (7) days for the submission of proposals.
- (5) Request for Proposals. The Committee shall provide interested firms with a Request for Proposals (“RFP”). The RFP shall provide information on how proposals are to be evaluated and such other information the Committee determines

is necessary for the firm to prepare a proposal. The RFP shall state the time and place for submitting proposals.

- (6) Committee's Evaluation of Proposals and Recommendation. The Committee shall meet at a publicly held meeting that is publicly noticed for a reasonable time in advance of the meeting to evaluate all qualified proposals and may, as part of the evaluation, require that each interested firm provide a public presentation where the Committee may conduct discussions with the firm, and where the firm may present information, regarding the firm's qualifications. At the public meeting, the Committee shall rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to subsection (3)(b) of this Rule. If fewer than three firms respond to the RFP or if no firms respond to the RFP, the Committee shall recommend such firm as it deems to be the most highly qualified. Notwithstanding the foregoing, the Committee may recommend that any and all proposals be rejected.
- (7) Board Selection of Auditor.
 - (a) Where compensation was not selected as a factor used in evaluating the proposals, the Board shall negotiate with the firm ranked first and inquire of that firm as to the basis of compensation. If the Board is unable to negotiate a satisfactory agreement with the first ranked firm at a price deemed by the Board to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the Board shall immediately begin negotiations with the second ranked firm. If a satisfactory agreement with the second ranked firm cannot be reached, those negotiations shall be terminated and negotiations with the third ranked firm shall be undertaken. The Board may reopen formal negotiations with any one of the three top-ranked firms, but it may not negotiate with more than one firm at a time. If the Board is unable to negotiate a satisfactory agreement with any of the selected firms, the Committee shall recommend additional firms in order of the firms' respective competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
 - (b) Where compensation was selected as a factor used in evaluating the proposals, the Board shall select the highest-ranked qualified firm or document in its public records the reason for not selecting the highest-ranked qualified firm.
 - (c) In negotiations with firms under this Rule, the Board may allow the District Manager, District Counsel, or other designee to conduct negotiations on its behalf.

- (d) Notwithstanding the foregoing, the Board may reject any or all proposals. The Board shall not consider any proposal, or enter into any contract for Auditing Services, unless the proposed agreed-upon compensation is reasonable to satisfy the requirements of Section 218.39 of the Florida Statutes, and the needs of the District.
- (8) Contract. Any agreement reached under this Rule shall be evidenced by a written contract, which may take the form of an engagement letter signed and executed by both parties. The written contract shall include all provisions and conditions of the procurement of such services and shall include, at a minimum, the following:
 - (a) A provision specifying the services to be provided and fees or other compensation for such services;
 - (b) A provision requiring that invoices for fees or other compensation be submitted in sufficient detail to demonstrate compliance with the terms of the contract;
 - (c) A provision setting forth deadlines for the auditor to submit a preliminary draft audit report to the District for review and to submit a final audit report no later than June 30 of the fiscal year that follows the fiscal year for which the audit is being conducted;
 - (d) A provision specifying the contract period, including renewals, and conditions under which the contract may be terminated or renewed. The maximum contract period including renewals shall be five (5) years. A renewal may be done without the use of the auditor selection procedures provided in this Rule but must be in writing.
 - (e) Provisions required by law that require the auditor to comply with public records laws.
- (9) Notice of Award. Once a negotiated agreement with a firm or individual is reached, or the Board authorizes the execution of an agreement with a firm where compensation was a factor in the evaluation of proposals, notice of the intent to award, including the rejection of some or all proposals, shall be provided in writing to all proposers by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests regarding the award of contracts under this Rule shall be as provided for in Rule 3.11. No proposer shall be entitled to recover any costs of proposal preparation or submittal from the District.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Rule 3.3 Purchase of Insurance.

- (1) Scope. The purchases of life, health, accident, hospitalization, legal expense, or annuity insurance, or all of any kinds of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by this Rule. This Rule does not apply to the purchase of any other type of insurance by the District, including but not limited to liability insurance, property insurance, and directors and officers insurance. Nothing in this Rule shall require the District to purchase insurance.
- (2) Procedure. For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:
 - (a) The Board shall cause to be prepared a Notice of Invitation to Bid.
 - (b) Notice of the Invitation to Bid shall be advertised at least once in a newspaper of general circulation within the District. The notice shall allow at least fourteen (14) days for submittal of bids.
 - (c) The District may maintain a list of persons interested in receiving notices of Invitations to Bid. The District shall make reasonable efforts to provide copies of any notices to such persons, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process.
 - (d) Bids shall be opened at the time and place noted in the Invitation to Bid.
 - (e) If only one (1) response to an Invitation is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.
 - (f) The Board has the right to reject any and all bids and such reservations shall be included in all solicitations and advertisements.
 - (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies that have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to the District officers, employees, or their dependents, the geographic location of the company's headquarters and offices in relation to the District, and the ability of the company to guarantee premium stability may be considered. A contract to purchase insurance

shall be awarded to that company whose response to the Invitation to Bid best meets the overall needs of the District, its officers, employees, and/or dependents.

- (h) Notice of the intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of insurance under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 112.08, Fla. Stat.

Rule 3.4 Pre-qualification

- (1) Scope. In its discretion, the District may undertake a pre-qualification process in accordance with this Rule for vendors to provide construction services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Procedure. When the District seeks to pre-qualify vendors, the following procedures shall apply:
 - (a) The Board shall cause to be prepared a Request for Qualifications.
 - (b) For construction services exceeding the thresholds described in Section 255.20 of the Florida Statutes, the Board must advertise the proposed pre-qualification criteria and procedures and allow at least seven (7) days notice of the public hearing for comments on such pre-qualification criteria and procedures. At such public hearing, potential vendors may object to such pre-qualification criteria and procedures. Following such public hearing, the Board shall formally adopt pre-qualification criteria and procedures prior to the advertisement of the Request for Qualifications for construction services.
 - (c) The Request for Qualifications shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall allow at least seven (7) days for submittal of qualifications for goods, supplies and materials, Contractual Services, maintenance services, and construction services under two hundred fifty thousand dollars (\$250,000). The notice shall allow at least twenty-one (21) days for submittal of qualifications for construction services estimated to cost over two hundred fifty thousand dollars (\$250,000) and thirty (30) days for construction services estimated to cost over five hundred thousand dollars (\$500,000).
 - (d) The District may maintain lists of persons interested in receiving notices of Requests for Qualifications. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any pre-qualification determination or contract awarded in accordance with these Rules and shall not be a basis for a protest of any pre-qualification determination or contract award.
 - (e) If the District has pre-qualified vendors for a particular category of purchase, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies or responses in response to the applicable Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

- (f) In order to be eligible to submit qualifications, a firm or individual must, at the time of receipt of the qualifications:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Request for Qualifications.

Evidence of compliance with these Rules must be submitted with the qualifications if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the qualifications.

- (g) Qualifications shall be presented to the Board, or a committee appointed by the Board, for evaluation in accordance with the Request for Qualifications and this Rule. Minor variations in the qualifications may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature.
- (h) All vendors determined by the District to meet the pre-qualification requirements shall be pre-qualified. To assure full understanding of the responsiveness to the requirements contained in a Request for Qualifications, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion and revision of qualifications. For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.
- (i) The Board shall have the right to reject all qualifications if there are not enough to be competitive or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of qualification preparation or submittal from the District.
- (j) Notice of intent to pre-qualify, including rejection of some or all qualifications, shall be provided in writing to all vendors by United States Mail, electronic mail, hand delivery, facsimile, or overnight delivery service. The notice

shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's pre-qualification decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11; provided however, protests related to the pre-qualification criteria and procedures for construction services shall be resolved in accordance with section (2)(b) of this Rule and Section 255.20(1)(b) of the Florida Statutes.

(3) Suspension, Revocation, or Denial of Qualification

(a) The District, for good cause, may deny, suspend, or revoke a prequalified vendor's pre-qualified status. A suspension, revocation, or denial for good cause shall prohibit the vendor from bidding on any District construction contract for which qualification is required, shall constitute a determination of non-responsibility to bid on any other District construction or maintenance contract, and shall prohibit the vendor from acting as a material supplier or subcontractor on any District contract or project during the period of suspension, revocation, or denial. Good cause shall include the following:

- i. One of the circumstances specified under Section 337.16(2), Fla. Stat., has occurred.
- ii. Affiliated contractors submitted more than one proposal for the same work. In this event the pre-qualified status of all of the affiliated bidders will be revoked, suspended, or denied. All bids of affiliated bidders will be rejected.
- iii. The vendor made or submitted false, deceptive, or fraudulent statements, certifications, or materials in any claim for payment or any information required by any District contract.
- iv. The vendor or its affiliate defaulted on any contract or a contract surety assumed control of financial responsibility for any contract of the vendor.
- v. The vendor's qualification to bid is suspended, revoked, or denied by any other public or semi-public entity, or the vendor has been the subject of a civil enforcement proceeding or settlement involving a public or semi-public entity.
- vi. The vendor failed to comply with contract or warranty requirements or failed to follow District direction in the performance of a contract.
- vii. The vendor failed to timely furnish all contract documents required by the contract specifications, special provisions, or by any state or federal statutes or regulations. If the vendor fails to furnish any of the subject contract documents by the expiration of the period of suspension,

revocation, or denial set forth above, the vendor's pre-qualified status shall remain suspended, revoked, or denied until the documents are furnished.

- viii. The vendor failed to notify the District within 10 days of the vendor, or any of its affiliates, being declared in default or otherwise not completing work on a contract or being suspended from qualification to bid or denied qualification to bid by any other public or semi-public agency.
 - ix. The vendor did not pay its subcontractors or suppliers in a timely manner or in compliance with contract documents.
 - x. The vendor has demonstrated instances of poor or unsatisfactory performance, deficient management resulting in project delay, poor quality workmanship, a history of payment of liquidated damages, untimely completion of projects, uncooperative attitude, contract litigation, inflated claims or defaults.
 - xi. An affiliate of the vendor has previously been determined by the District to be non-responsible, and the specified period of suspension, revocation, denial, or non-responsibility remains in effect.
 - xii. The vendor or affiliate(s) has been convicted of a contract crime.
 - 1. The term "contract crime" means any violation of state or federal antitrust laws with respect to a public contract or any violation of any state or federal law involving fraud, bribery, collusion, conspiracy, or material misrepresentation with respect to a public contract.
 - 2. The term "convicted" or "conviction" means a finding of guilt or a conviction of a contract crime, with or without an adjudication of guilt, in any federal or state trial court of record as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
- (b) A denial, suspension, or revocation shall prohibit the vendor from being a subcontractor on District work during the period of denial, suspension, or revocation, except when a prime contractor's bid has used prices of a subcontractor who becomes disqualified after the bid, but before the request for authorization to sublet is presented.
- (c) The District shall inform the vendor in writing of its intent to deny, suspend, or revoke its pre-qualified status and inform the vendor of its right to a hearing, the procedure which must be followed, and the applicable time limits. If a hearing is requested within 10 days after the receipt of the notice of intent, the

hearing shall be held within 30 days after receipt by the District of the request for the hearing. The decision shall be issued within 15 days after the hearing.

- (d) Such suspension or revocation shall not affect the vendor's obligations under any preexisting contract.
- (e) In the case of contract crimes, the vendor's pre-qualified status under this Rule shall be revoked indefinitely. For all violations of Rule 3.4(3)(a) other than for the vendor's conviction for contract crimes, the revocation, denial, or suspension of a vendor's pre-qualified status under this Rule shall be for a specific period of time based on the seriousness of the deficiency.

Examples of factors affecting the seriousness of a deficiency are:

- i. Impacts on project schedule, cost, or quality of work;
- ii. Unsafe conditions allowed to exist;
- iii. Complaints from the public;
- iv. Delay or interference with the bidding process;
- v. The potential for repetition;
- vi. Integrity of the public contracting process;

Rule 3.5 Construction Contracts, Not Design-Build.

- (1) Scope. All contracts for the construction or improvement of any building, structure, or other public construction works authorized by Chapter 190 of the Florida Statutes, the costs of which are estimated by the District in accordance with generally accepted cost accounting principles to be in excess of the threshold amount for applicability of Section 255.20 of the Florida Statutes, as that amount may be indexed or amended from time to time, shall be let under the terms of these Rules and the procedures of Section 255.20 of the Florida Statutes, as the same may be amended from time to time. A project shall not be divided solely to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of construction services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation in the District and in the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least twenty-one (21) days for submittal of sealed bids, proposals, replies, or responses, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of bids, proposals, replies, or responses. If the Board has previously pre-qualified contractors pursuant to Rule 3.4 and determined that only the contractors that have been pre-qualified will be permitted to submit bids, proposals, replies, and responses, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation need not be published. Instead, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be sent to the pre-qualified contractors by United States Mail, hand delivery, facsimile, or overnight delivery service.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

- (d) If the District has pre-qualified providers of construction services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses to Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations.
- (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the bidder is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to, reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and these Rules. Minor variations in the bids,

proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

- (g) The lowest Responsive Bid submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No contractor shall be entitled to recover any costs of bid, proposal, response, or reply preparation or submittal from the District.
- (i) The Board may require potential contractors to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses, shall be provided in writing to all contractors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of construction services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase construction services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may

proceed with the procurement of construction services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the construction services without further competitive selection processes.

- (3) Sole Source; Government. Construction services that are only available from a single source are exempt from this Rule. Construction services provided by governmental agencies are exempt from this Rule. This Rule shall not apply to the purchase of construction services, which may include goods, supplies, or materials, that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules. A contract for construction services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
- (4) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (5) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board Meeting.
- (6) Exceptions. This Rule is inapplicable when:
 - (a) The project is undertaken as repair or maintenance of an existing public facility;
 - (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
 - (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contract; or
 - (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Rule 3.6 Construction Contracts, Design-Build.

- (1) Scope. The District may utilize Design-Build Contracts for any public construction project for which the Board determines that use of such contract is in the best

interest of the District. When letting a Design-Build Contract, the District shall use the following procedure:

(2) Procedure.

- (a) The District shall utilize a Design Criteria Professional meeting the requirements of Section 287.055(2)(k) of the Florida Statutes, when developing a Design Criteria Package, evaluating the proposals and qualifications submitted by Design-Build Firms, and determining compliance of the project construction with the Design Criteria Package. The Design Criteria Professional may be an employee of the District, may be the District Engineer selected by the District pursuant to Section 287.055 of the Florida Statutes, or may be retained pursuant to Rule 3.1. The Design Criteria Professional is not eligible to render services under a Design-Build Contract executed pursuant to the Design Criteria Package.
- (b) A Design Criteria Package for the construction project shall be prepared and sealed by the Design Criteria Professional. If the project utilizes existing plans, the Design Criteria Professional shall create a Design Criteria Package by supplementing the plans with project specific requirements, if any.
- (c) The Board may either choose to award the Design-Build Contract pursuant to the competitive proposal selection process set forth in Section 287.055(9) of the Florida Statutes, or pursuant to the qualifications-based selection process pursuant to Rule 3.1.
 - (i) Qualifications-Based Selection. If the process set forth in Rule 3.1 is utilized, subsequent to competitive negotiations, a guaranteed maximum price and guaranteed completion date shall be established.
 - (ii) Competitive Proposal-Based Selection. If the competitive proposal selection process is utilized, the Board, in consultation with the Design Criteria Professional, shall establish the criteria, standards and procedures for the evaluation of Design-Build Proposals based on price, technical, and design aspects of the project, weighted for the project. After a Design Criteria Package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited pursuant to the design criteria by the following procedure:
 - 1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least twenty-one (21) days for submittal of sealed proposals, unless the Board,

for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.

2. The District may maintain lists of persons interested in receiving notices of Requests for Proposals. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
3. In order to be eligible to submit a proposal, a firm must, at the time of receipt of the proposals:
 - a. Hold the required applicable state professional licenses in good standing, as defined by Section 287.055(2)(h) of the Florida Statutes;
 - b. Hold all required applicable federal licenses in good standing, if any;
 - c. Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation;
 - d. Meet any special pre-qualification requirements set forth in the Request for Proposals and Design Criteria Package.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the proposal if required by the District. Failure to

submit evidence of compliance when required may be grounds for rejection of the proposal.

4. The proposals, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. In consultation with the Design Criteria Professional, the Board shall evaluate the proposals received based on evaluation criteria and procedures established prior to the solicitation of proposals, including but not limited to qualifications, availability, and past work of the firms and the partners and members thereof. The Board shall then select no fewer than three (3) Design-Build Firms as the most qualified.
5. The Board shall have the right to reject all proposals if [the proposals are too high](#), or rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of proposal preparation or submittal from the District.
6. If less than three (3) Responsive Proposals are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no Responsive Proposals are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.
7. Notice of the rankings adopted by the Board, including the rejection of some or all proposals, shall be provided in writing to all consultants by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's rankings under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

8. The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards and shall establish a price which the Board determines is fair, competitive and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the second most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the third most qualified firm. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the third most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached or the list of firms is exhausted.
 9. After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
 10. The Design Criteria Professional shall evaluate the compliance of the detailed working drawings and project construction with the Design Criteria Package and shall provide the Board with a report of the same.
- (3) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
 - (4) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified Design-Build Firm available at the time. The fact that an Emergency Purchase has occurred shall be noted in the minutes of the next Board meeting.
 - (5) Exceptions. This Rule is inapplicable when:

- (a) The project is undertaken as repair or maintenance of an existing public facility;
- (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
- (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contractor; or
- (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Rule 3.7 Payment and Performance Bonds.

- (1) Scope. This Rule shall apply to contracts for the construction of a public building, for the prosecution and completion of a public work, or for repairs upon a public building or public work and shall be construed in addition to terms prescribed by any other Rule that may also apply to such contracts.
- (2) Required Bond. Upon entering into a contract for any of the services described in section (1) of this Rule in excess of \$200,000, the Board should require that the contractor, before commencing the work, execute and record a payment and performance bond in an amount equal to the contract price. Notwithstanding the terms of the contract or any other law, the District may not make payment to the contractor until the contractor has provided to the District a certified copy of the recorded bond.
- (3) Discretionary Bond. At the discretion of the Board, upon entering into a contract for any of the services described in section (1) of this Rule for an amount not exceeding \$200,000, the contractor may be exempted from executing a payment and performance bond.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 255.05, Fla. Stat.

Rule 3.8 Goods, Supplies, and Materials.

- (1) Purpose and Scope. All purchases of goods, supplies, or materials exceeding the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, shall be purchased under the terms of this Rule. Contracts for purchases of “goods, supplies, and materials” do not include printing, insurance, advertising, or legal notices. A contract involving goods, supplies, or materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of goods, supplies, or materials is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, or Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of goods, supplies, and materials, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

Any firm or individual whose principal place of business is outside the State of Florida must also submit a written opinion of an attorney at law licensed to practice law in that foreign state, as to the preferences, if any or none, granted by the law of that foreign state to business entities whose principal places of business are in that foreign state, in the letting of any or all public contracts. Failure to submit such a written opinion or submission of a false or misleading written opinion may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and this Rule. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid, after taking into account the preferences provided for in this subsection, submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be accepted. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which does not grant a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of

Florida shall be awarded a preference of five (5) percent. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which grants a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsive and Responsible Bidder whose principal place of business is in the State of Florida shall be awarded a preference equal to the preference granted by such foreign state.

To assure full understanding of the responsiveness to the solicitation requirements contained in an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.

- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.
 - (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
 - (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of goods, supplies, and materials under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
 - (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase goods, supplies, or materials, or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of goods, supplies, and materials, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the goods, supplies, and materials without further competitive selection processes.
- (3) Goods, Supplies, and Materials included in a Construction Contract Awarded Pursuant to Rule 3.5 or 3.6. There may be occasions where the District has

undergone the competitive purchase of construction services which contract may include the provision of goods, supplies, or materials. In that instance, the District may approve a change order to the contract and directly purchase the goods, supplies, and materials. Such purchase of goods, supplies, and materials deducted from a competitively purchased construction contract shall be exempt from this Rule.

- (4) Exemption. Goods, supplies, and materials that are only available from a single source are exempt from this Rule. Goods, supplies, and materials provided by governmental agencies are exempt from this Rule. A contract for goods, supplies, or materials is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process. This Rule shall not apply to the purchase of goods, supplies or materials that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules.
- (5) Renewal. Contracts for the purchase of goods, supplies, and/or materials subject to this Rule may be renewed for a maximum period of five (5) years.
- (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 189.053, 190.033, 287.017, 287.084, Fla. Stat.

Rule 3.9 Maintenance Services.

- (1) Scope. All contracts for maintenance of any District facility or project shall be set under the terms of this Rule if the cost exceeds the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR. A contract involving goods, supplies, and materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of maintenance services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of maintenance services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, and responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and these Rules. Minor variations in the bids, proposals, replies, and responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid submitted in response to an Invitation to Bid by a Responsive and Responsible Bidder shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate or Competitive Solicitation the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, or responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No Vendor shall be

entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.

- (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
 - (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of maintenance services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
 - (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase the maintenance services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of maintenance services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the maintenance services without further competitive selection processes.
- (3) Exemptions. Maintenance services that are only available from a single source are exempt from this Rule. Maintenance services provided by governmental agencies are exempt from this Rule. A contract for maintenance services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
 - (4) Renewal. Contracts for the purchase of maintenance services subject to this Rule may be renewed for a maximum period of five (5) years.
 - (5) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
 - (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), 190.033, Fla. Stat.

Law Implemented: §§ 119.0701, 190.033, 287.017, Fla. Stat.

Rule 3.10 Contractual Services.

- (1) Exemption from Competitive Purchase. Pursuant to Section 190.033(3) of the Florida Statutes, Contractual Services shall not be subject to competitive purchasing requirements. If an agreement is predominantly for Contractual Services, but also includes maintenance services or the purchase of goods and services, the contract shall not be subject to competitive purchasing requirements. Regardless of whether an advertisement or solicitation for Contractual Services is identified as an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, no rights or remedies under these Rules, including but not limited to protest rights, are conferred on persons, firms, or vendors proposing to provide Contractual Services to the District.
- (2) Contracts; Public Records. In accordance with Florida law, each contract for Contractual Services shall include provisions required by law that require the contractor to comply with public records laws.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 190.011(3), 190.033, Fla. Stat.

Rule 3.11 Protests with Respect to Proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9.

The resolution of any protests with respect to proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9 shall be in accordance with this Rule.

(1) Filing.

- (a) With respect to a protest regarding qualifications, specifications, documentation, or other requirements contained in a Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation issued by the District, the notice of protest shall be filed in writing within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after the first advertisement of the Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's intended decision. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (b) Except for those situations covered by subsection (1)(a) of this Rule, any firm or person who is affected adversely by a District's ranking or intended award under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, or 3.9 and desires to contest the District's ranking or intended award, shall file with the District a written notice of protest within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after receipt of the notice of the District's ranking or intended award. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's ranking or intended award. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (c) If the requirement for the posting of a protest bond and the amount of the protest bond, which may be expressed by a percentage of the contract to be awarded or a set amount, is disclosed in the District's competitive solicitation documents for a particular purchase under Rules 3.1, 3.2, 3.3,

3.4, 3.5, 3.6, 3.8, or 3.9, any person who files a notice of protest must post the protest bond. The amount of the protest bond shall be determined by District staff after consultation with the Board and within the limits, if any, imposed by Florida law. In the event the protest is successful, the protest bond shall be refunded to the protestor. In the event the protest is unsuccessful, the protest bond shall be applied towards the District's costs, expenses, and attorney's fees associated with hearing and defending the protest. In the event the protest is settled by mutual agreement of the parties, the protest bond shall be distributed as agreed to by the District and protestor.

- (d) The District does not accept documents filed by electronic mail or facsimile transmission. Filings are only accepted during normal business hours.
- (2) Contract Execution. Upon receipt of a notice of protest which has been timely filed, the District shall not execute the contract under protest until the subject of the protest is resolved. However, if the District sets forth in writing particular facts and circumstances showing that delay incident to protest proceedings will jeopardize the funding for the project, will materially increase the cost of the project, or will create an immediate and serious danger to the public health, safety, or welfare, the contract may be executed.
 - (3) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be sent via facsimile, United States Mail, or hand delivery to the protestor and any substantially affected persons or parties not less than three (3) calendar days prior to such informal proceeding. Within thirty (30) calendar days following the informal proceeding, the Board shall issue a written decision setting forth the factual, legal, and policy grounds for its decision.
 - (4) Formal Proceeding. If the Board determines a protest involves disputed issues of material fact or if the Board elects not to use the informal proceeding process provided for in section (3) of this Rule, the District shall schedule a formal hearing to resolve the protest. The Chairperson shall designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer to conduct the hearing. The hearing officer may:
 - (a) Administer oaths and affirmations;
 - (b) Rule upon offers of proof and receive relevant evidence;
 - (c) Regulate the course of the hearing, including any pre-hearing matters;
 - (d) Enter orders; and

- (e) Make or receive offers of settlement, stipulation, and adjustment.

The hearing officer shall, within thirty (30) days after the hearing or receipt of the hearing transcript, whichever is later, file a recommended order which shall include a caption, time and place of hearing, appearances entered at the hearing, statement of the issues, findings of fact and conclusions of law, separately stated, and a recommendation for final District action. The District shall allow each party fifteen (15) days in which to submit written exceptions to the recommended order. The District shall issue a final order within sixty (60) days after the filing of the recommended order.

- (5) Intervenors. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.
- (6) Rejection of all Qualifications, Bids, Proposals, Replies and Responses after Receipt of Notice of Protest. If the Board determines there was a violation of law, defect, or an irregularity in the competitive solicitation process, the Bids, Proposals, Replies, and Responses are too high, or if the Board determines it is otherwise in the District's best interest, the Board may reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew. If the Board decides to reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew, any pending protests shall automatically terminate.
- (7) Settlement. Nothing herein shall preclude the settlement of any protest under this Rule at any time.

RIVERS EDGE III COMMUNITY DEVELOPMENT DISTRICT
Policy Relating to Spending Authority and Procurement of Good and Services

1.0 PURPOSE OF POLICY.

- 1.1** This Policy for Spending Authority and Procurement of Goods and Services (“**Policy**”) is designed to establish clear standards delineating the authority of certain contractors and employees of the Rivers Edge III Community Development District (the “**District**”), specifically the District Manager, General Manager and Field Operations Manager, to enter into certain contracts or purchase orders for goods or services on behalf of the District. This policy is further designed to establish uniform procedures for the informal procurement of goods and services that are under the statutory threshold for formal public procurement under Florida law. Please refer to the District Rules of Procedure for the processes required when purchases exceed the public procurement threshold.
- 1.2** The fundamental purpose of this policy is not to restrict the effectiveness of the individuals involved in the day to day activities related to the procurement of goods and services, but to provide a sound foundation for effective, consistent and fair procurement practices and ensure fiscal responsibility, accountability and consistency. This Policy applies to the pre-authorization of funds and procurement of goods and services as provided for hereunder; the District Board of Supervisors are not required in any instance to sign checks, the authority for check signature rests with the District Manager and other individuals authorized pursuant to District Resolution.
- 1.3** Any and all questions regarding this Policy should be directed to the District Manager or District Counsel.

2.0 DEFINITIONS.

- 2.1** *Emergency.* A sudden or unexpected situation, event, or circumstance negatively impacting or impairing the health, safety, and welfare of the District’s residents; or an unexpected failure of a District physical asset that significantly impacts the general operation, integrity or function of the District’s operations. Examples of an Emergency include, but are in no way limited to: acts of God; pandemics; riots; fires; floods; hurricanes; accidents; structural, electrical or chemical failures of a District facility; or other similar circumstances.
- 2.2** *Emergency Approval.* An approval of an Emergency Contract or Purchase Order (defined herein) by the District Manager or General Manager on behalf of the District, when an Emergency Authorization (defined herein) authorizes the District Manager or General Manager to approve such Emergency Contract or Purchase Order .
- 2.3** *Emergency Authorization.* A written authorization of the Chairperson of the Board (“**Chairperson**”), or another representative of the Board as provided in this Policy, authorizing the District Manager, General Manager or Field Operations Manager to approve an Emergency Contract or Purchase Order (defined herein). The Emergency Authorization should contain the following minimum information, collected by the District Manager: a declaration that an Emergency exists; the reasons supporting such a declaration; the Emergency Contract or Purchase Order that the District Manager, General Manager or Field Operations Manager expects to approve and a statement certifying that such goods or services will address the Emergency; the expected cost of the Emergency

Contract or Purchase Order; language stating that the signing representative of the Board approves the information in such Emergency Authorization; and a statement that any expenses resulting from the District entering into the Emergency Contract or Purchase Order shall be presented to the Board for ratification at the next Board meeting.

- 2.4** *Emergency Contract or Purchase Order.* A contract or purchase order for goods or services entered into to address an Emergency that otherwise exceeds the approval authority set forth in this Policy.

3.0 DISTRICT MANAGER APPROVAL AUTHORITY.

- 3.1** Per Florida law, the District Manager shall have charge and supervision of the District's works, and bear responsibility for preserving and maintaining any improvement or facility that is constructed or erected pursuant to Chapter 190, *Florida Statutes*; for operating and maintaining District-owned equipment; and for performing such other duties as are prescribed by the Board.
- 3.2** The District Manager has the authority to approve a contract or purchase order for goods or services on behalf of the District if the cost of such contract or purchase order is less than or equal to Five Thousand Dollars and No Cents (\$5,000.00), and the District Manager is authorized to sign such contract or purchase order on behalf of the District. The contract or purchase order need not be presented for ratification by the Board but will appear in the check register in due course.
- 3.3** Purchases that are recurring purchases or services approved by the Board at a public meeting need not come back to the Board unless and until the terms of the contract for such purchase expires or requires formal Board renewal or action.
- 3.4** If the cost of a contract or purchase order for goods or services exceeds Five Thousand Dollars and No Cents (\$5,000.00), or for purchases that are recurring purchases or services that would, when combined, exceed Five Thousand Dollars and No Cents (\$5,000.00), the Board must approve such contract or purchase order at a public meeting, except as specified herein.

4.0 DISTRICT COUNSEL APPROVAL AUTHORITY.

- 4.1** This policy is in no way intended to repeal, diminish or otherwise conflict with Resolution 2020-__, which Resolution provides for the legal support and legal defense of the District, Board of Supervisors and District Staff. The provisions of that Resolution remain in full force and effect. This policy is intended to cover legal actions that are not covered by that Resolution.
- 4.2** Due to unique nature of any given legal proceeding or legal situation, a specific approval threshold is not provided for so as not to limit the District's ability to affirmatively defend itself against actual or potential claims. The Board may, however, at any time during a public meeting budget, delay, or cease legal proceedings or legal actions by affirmative vote as the policy setting body with fiduciary responsibility to the District. The Board will be advised of any potential legal implications and risks of such action for consideration prior to voting.

4.3 Outside normal day-to-day operational considerations in which the District's Counsel participates (including but not limited to meeting attendance, drafting of routine agreements, counsel on policy or legal decisions in the normal course or other similar circumstances), any agreement for legal services, representation, or outside counsel must be signed by the Chair or Vice Chair to be deemed duly executed. Due to the urgent, confidential, or exempt matter of legal issues, or so as not to impair the District's legal position or strategy, such contracts/retainers/agreements are not required to be brought for a discussion and vote before the Board so long as the Chair or Vice Chair has signed authorizing such execution. The Board retains full authority to be apprised of ongoing expenditures and to limit or cease any legal proceeding or legal services by affirmative vote. To that end, District Staff shall update the Board at each Board meeting as to the status of expenditures on legal proceedings entered into pursuant to this policy but shall not be required to discuss items that are confidential or exempt from public disclosure or that would impair the District's legal position.

4.4 Any final judgements, settlements, or dispositions must be approved by the Board.

5.0 GENERAL MANAGER AND FIELD OPERATIONS MANAGER APPROVAL AUTHORITY.

5.1 The General Manager and Field Operations Manager, each, shall have the authority to approve a contract or purchase order for goods or services on behalf of the District if the cost of such contract or purchase order is less than or equal to Two Thousand, Five Hundred Dollars and No Cents (\$2,500.00), and both the General Manager and Field Operations Manager are authorized to sign such contract or purchase order on behalf of the District. The contract or purchase order need not be presented for ratification by the Board but will appear in the check register in due course.

5.2 If the cost of a contract or purchase order for goods or services exceeds Two Thousand, Five Hundred Dollars and No Cents (\$2,500.00), or for purchases that are recurring purchases or services that would, when combined, exceed Two Thousand, Five Hundred Dollars and No Cents (\$2,500.00), but do not exceed the District Manager's purchasing authority set forth above, the District Manager may approve such expenditure.

6.0 DISTRICT MANAGER, GENERAL MANAGER AND FIELD OPERATIONS MANAGER'S EMERGENCY APPROVAL AUTHORITY.

6.1 The District Manager, General Manager and Field Operations Manager, have the discretion to determine whether a situation, event, or circumstance constitutes an Emergency as set forth under this Policy. In the event of an Emergency, staff shall additionally follow the Emergency Notification Policy and Protocols adopted by the Board.

6.2 In the event of an Emergency, the District Manager is in charge of securing an Emergency Authorization, signed by the Chairperson, before an Emergency Approval may be issued. If the Chairperson is unavailable to sign the Emergency Authorization, then the Vice Chairperson may sign. If the Vice Chairperson is unavailable to sign the Emergency Authorization, then another Board Supervisor may sign. The District Manager shall prepare the Emergency Authorization as set forth herein. Following the execution of the Emergency Authorization, the District Manager, General Manager or Field Operations Manager may make an Emergency Approval of the Emergency Contract or Purchase Order set forth in the Emergency Authorization. Any Emergency Contract or Purchase Order shall be presented to the Board for ratification at the next Board meeting.

- 6.3** In the event that the District Manager is unable to secure an Emergency Authorization that he or she deems necessary as set forth in this policy, the District agrees to hold the District Manager harmless in the event that such actions are challenged legally as inconsistent with the District Managers statutory duties set forth in Chapter 190, Florida Statutes.

7.0 APPROVAL AUTHORITY OF OTHER DISTRICT CONTRACTORS OR EMPLOYEES.

- 7.1** Except for the approval authority of the Board, District Manager, General Manager and Field Operations Manager, as set forth in this Policy and the District's Rules of Procedure, District contractors or employees have no authority to approve or sign a contract or purchase order for goods or services, or a recurring obligation under a contract or purchase order for goods or services, on behalf of the District. Any such approval by such contractor or employee shall constitute an unauthorized approval.

8.0 PROCUREMENT PROCESS FOR PURCHASE OF GOODS AND SERVICES

- 8.1** To comply with Chapters 190 and 287, Florida Statutes, a District must abide by several procedures if it desires to enter into a contract for the purchase of professional services; insurance; construction; design-build services; goods, supplies, or materials; contractual services; and maintenance services over statutory bid thresholds. Please refer to the District Rules of Procedure for the processes required when purchases exceed the public procurement threshold.

- 8.2** If the cost of construction will be less than \$383,168.13, the cost of electrical purchases is less than \$95,792.03, or the cost of goods or services will be less than \$195,000, it is appropriate to informally solicit proposals for the work.** These should be written proposals, bid from a standard scope of services or scope of materials. The proposals should be included in the District agenda package and reviewed by the District's Board of Supervisors. The proposals presented to the Board shall be as provided by the proposer(s), in an unaltered format. The General Manager or Field Operations Manager, as applicable, shall secure, whenever possible, a minimum of three written proposals, which shall be the result of written specifications transmitted by mail, electronic format or by facsimile. In those instances when securing three proposals is not practicable, the General Manager or Field Operations Manager shall provide written justification of such. When applicable to the proposed project, companies must be properly authorized, licensed and insured to perform the work. The provisions of this section shall apply to purchases that exceed Five Thousand Dollars (\$5,000.00) for a single item or recurring item.

** Note that the threshold amounts identified herein are established by Florida law and are subject to change; the construction and electrical thresholds change each calendar year. Please confer with District Counsel or District Management for up to date numbers.

- 8.3** Where, for any reason, a proposer is given an opportunity to re-bid on a solicitation, all competing proposers should also be given an equal opportunity to re-bid the requirement. Those conditions in which it is in the District's best interests to allow a re-bid may include changes in requirements or changes in specifications.
- 8.4** Unless an Emergency exists, as defined in this Policy, or the purchase is under the thresholds set forth in Section 3.0, the District's Board of Supervisors shall pre-approve the proposal at a Board meeting prior to the execution of an agreement. If this pre-approval does not occur, it is possible that the agreement may not be honored by the District. The

General Manager should seek District Counsel's review or drafting of an agreement once the proposal is approved by the Board.

- 8.5 Once the agreement is in place, provide copies of the executed agreement to the District Manager. The District Manager is the official records custodian of the District.
- 8.6 For District Capital Improvement Projects authorized by the District's Board of Supervisors, keep the District Engineer updated on the process of installation or construction. The District Engineer is ultimately responsible for the proper construction and installation of the District's improvements, so the District Engineer needs to know when construction commences, when inspections are scheduled, etc. Projects designed by other professionals should be inspected by that professional and accepted under terms set forth in agreement with the District.

9.0 POLICY ETHICS.

- 9.1 All District employees and contractors shall abide by the provisions of Chapter 112, *Florida Statutes*, including Section 112.313, pertaining to standards of conduct for public officers.
- 9.2 Acceptance of gifts by District employees at any time from contractors or suppliers is prohibited.
- 9.3 District employees shall not bid for, enter into, or be in any manner interested in any contract for District purchases or public works, nor shall District employees seek to influence the purchase or a product or service from any proposer.
- 9.4 No contract or purchase shall be subdivided to evade the threshold amounts or other requirements of this Policy or other purchasing policies of the District, including the Rules of Procedure. Purchases, orders, or contracts that are subdivided to circumvent this Policy or other purchasing policies of the District shall be considered unauthorized purchases.
- 9.5 Any and all offers of employment must be authorized by only the Board, upon the Board's affirmative vote authorizing the position and accompanying funds, and such offers of employment shall not be made by any entity or person other than the Board. This shall not be construed to prohibit hiring of independent contractors to provide goods or services to the District but rather is meant to prohibit offers of employment without Board authorization.

10.0 SEVERABILITY.

- 10.1 If any section, paragraph, clause, or provision of this Policy shall be held to be invalid or ineffective for any reason, the remainder of this Policy shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Policy would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause, or provision.

11.0 INTERPRETATION.

- 11.1** This Policy shall be interpreted and construed as consistent with Florida law and the District's Rules of Procedures. This Policy shall not be interpreted or construed as restricting, undermining, or contravening the legal authority of the Board or the District.

Rivers Edge III Community Development District

Re: Conflict of Interest Waiver Regarding Representation of Rivers Edge, Rivers Edge II, and Rivers Edge III Community Development Districts for Interlocal Agreement

Dear Board of Supervisors,

Hopping Green & Sams, P.A. (“HGS”), was recently asked to undertake the representation of the Rivers Edge III Community Development District (“District”) in regards to various general counsel representation tasks. HGS currently also represents the Rivers Edge Community Development District and the Rivers Edge II Community Development District (together, “Original Districts” and with the District, the “Districts”) in regards to various general counsel representation tasks. Specifically for the purposes of this conflict of interest waiver, HGS was requested by the Original Districts to draft an interlocal agreement regarding certain shared cost expenses of offsite improvements between the Original Districts related to certain RiverTown DRI requirements, which includes operation and maintenance of certain roadway landscaping and irrigation improvements, stormwater improvements and shared amenity access of the River House and River Club facilities between the Original Districts (“Interlocal Agreement”). HGS has now been asked to represent the District in becoming a party to the Interlocal Agreement.

This letter is to notify the District pursuant to Rules 4-1.7 and 4-1.9, of the Rules Regulating the Florida Bar, of the existence of a potential conflict of interest between the District and the Original Districts as recipients of the rights and responsibilities of the Interlocal Agreement. Specifically, the risk involved in the potential conflict is that my firm would not be able to fully advocate for either one or all of the Districts in negotiation of the Interlocal Agreement and so one or all of the Districts would not get as good a deal on the Interlocal Agreement representations, due to my concurrent representation of the Original Districts. However, in reviewing the nature of the conflict, HGS is of the opinion that (1) HGS will be able to provide competent and diligent representation of the Districts regardless of HGS’s other representations; (2) HGS’s representation of the District will not be materially limited by HGS’s other responsibilities; and (3) HGS’s representation will not involve the use of information relating to the representation to the disadvantage of any of the Districts in a manner in conflict with Rule 4-1.9. Its representation of the District will not involve the use of information obtained during the prior representation of the Original Districts. In support thereof, it is important to note that the calculations on which the Interlocal Agreement payment allocation is based was not derived by HGS; rather the methodology for allocation of the costs, the types of improvements to be shared, and the cost factor allocations were all derived by the Engineer of Record for the RiverTown development and the methodology consultant related to the Development, independent of HGS. The Interlocal is intended to memorialize the understanding of the cost

allocation of said shared improvements between the Districts based on the engineering and financial analysis provided to HGS.

Under the rules governing the Florida Bar, we are ethically obligated to disclose the existence of this conflict to the District, having previously disclosed the conflict to the Original Districts with waivers thereof, and request the Districts' informed consent thereto in writing. Accordingly, on behalf of HGS, I would request that the District acknowledge the disclosure of the conflict described herein and waiver thereof by signing a copy of this letter and returning a copy to me for my file.

Should you have any questions or concerns or should you desire additional information regarding the contents of this letter, please do not hesitate to contact me at (850) 222-7500 or via e-mail at JenK@hgslaw.com.

Very truly yours,

HOPPING GREEN & SAMS, P.A.
